### **Abraham Lincoln 1809 1858 Volume 3:**

*The Papers and Writings of Abraham Lincoln* Abraham Lincoln, 2015-12-17 Abraham Lincoln 1809 1865 is one of the most famous Americans in history and one of the country's most revered presidents. Schoolchildren can recite the life story of Lincoln, the Westerner who educated himself and became a self-made man rising from lawyer to leader of the new Republican Party before becoming the 16th President of the United States. Lincoln successfully navigated the Union through the Civil War but didn't live to witness his own accomplishment becoming the first president assassinated when he was killed at Ford's Theater by John Wilkes Booth. As impressive as his presidency was, one of his most lasting legacies was his writing. In addition to masterful writing for everything from orders to his generals and condolences to the aggrieved Mrs. Bixby, his Second Inaugural Address and Gettysburg Address are considered masterpieces that rate among the greatest writings in American history. Perhaps Lincoln's most impressive feat is that he was able to convey so much with so few words; after famous orator Edward Everett spoke for hours at Gettysburg, Lincoln's Gettysburg Address only took a few minutes. In the generation after the Civil War, Lincoln became an American deity and one of the most written-about men in history. Understandably, all of his writings and papers were intently scoured and collected and they've been preserved in seven volumes of *Papers and Writings*.

**Presidential Diversions** Paul F. Boller, 2007 Paul F. Boller Jr.'s widely admired and bestselling anecdotal histories have uncovered new aspects and hidden dimensions in the lives of our presidents. Now he turns to an uncharted but unexpectedly revealing element of our leaders' personalities as he brings us stories of what the presidents did for fun. In thumbnail portraits of every president through George W. Bush, Boller chronicles their taste in games, sports, and cultural activities. George Washington had a passion for dancing and John Quincy Adams skinny-dipped in the Potomac. Grover Cleveland loved beer gardens and Woodrow Wilson made a failed effort to write fiction. Calvin Coolidge cherished his afternoon naps as did Lyndon Johnson his four-pack-a-day cigarette habit. Jimmy Carter was a surprisingly skilled high diver and Bush Senior loved to parachute. The sketches revitalize even the most familiar of our leaders, showing us a new side of our presidents and their presidencies.
