Buddhist Ethics:

Buddhist Ethics Damien Keown, 2020-06-25 With over 520 million followers Buddhism is now the world's fourth largest religion. Over the last seventy years or so there has been a growing interest in Buddhism and it continues to capture the imagination of many in the West who see it as either an alternative or a supplement to their own religious beliefs. For complex cultural and historical reasons ethics has not received as much attention in traditional Buddhist thought as it has in the West. In this Very Short Introduction Damien Keown explores how Buddhism approaches a range of moral issues of our age including our relationship with our environment, our treatment of animals, and our stance on abortion, on sexuality and gender, on violence and war. This new edition also includes a discussion of the ethical challenges posed by cutting edge developments in science and biomedical technologies including neuroscience, artificial intelligence, transhumanism, and gene editing.

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Buddhist Ethics Jay L. Garfield, 2022 Buddhist Ethics presents an outline of Buddhist ethical thought. It is not a defense of Buddhist approaches to ethics as opposed to any other, nor is it a critique of the Western tradition. Garfield presents a broad overview of a range of Buddhist approaches to the question of moral philosophy. He draws on a variety of thinkers reflecting the great diversity of this 2500-year-old tradition in philosophy, but also the principles that tie them together. In particular, he engages with the literature that argues that Buddhist ethics is best understood as a species of virtue ethics, and with those who argue that it is best understood as consequentialist. Garfield argues that while there are important points of contact with these Western frameworks, Buddhist ethics is distinctive and is a kind of moral phenomenology that is concerned with the ways in which we experience ourselves as agents and others as moral fellows. With this framework, Garfield explores the connections between Buddhist ethics and recent work in moral particularism, such as that of Jonathan Dancy, as well as the British and Scottish sentimentalist tradition represented by Hume and Smith.

Buddhist Ethics: A Very Short Introduction Damien Keown, 2005-06-23 Recent interest in Buddhist thought has grown dramatically, and with it the desire to understand contemporary ethics from a Buddhist perspective. Looking at issues such as animal rights, the environment, abortion, and cloning, the author explains mainstream Buddhist teachings on a wide range of debates.

Buddhist ethics H. Saddhatissa, 2015-05 His Holiness the Sakya Trizin delivers an important teaching on ethics in Buddhism.

An Introduction to Buddhist Ethics Peter Harvey, 2000-06-22 A systematic introduction to Buddhist ethics aimed at anyone interested in Buddhism.

Buddhist Moral Philosophy Christopher W. Gowans, 2014-07-17 The first book of its kind, Buddhist Moral Philosophy: An Introduction introduces the reader to contemporary philosophical interpretations and analyses of Buddhist ethics. It begins with a survey of traditional Buddhist

ethical thought and practice mainly in the Pali Canon and early Mahāyāna schools and an account of the emergence of Buddhist moral philosophy as a distinct discipline in the modern world. It then examines recent debates about karma, rebirth and nirvana, well-being, normative ethics, moral objectivity, moral psychology and the issue of freedom, responsibility and determinism. The book also introduces the reader to philosophical discussions of topics in socially engaged Buddhism such as human rights, war and peace and environmental ethics.

The Nature of Buddhist Ethics Damien Keown, 2016-07-27. In this book the author considers data from both early and later schools of Buddhism in an attempt to provide an overall characterization of the structure of Buddhist ethics. The importance of ethics in the Buddha's teachings is widely acknowledged but the pursuit of ethical ideals has up to now been widely held to be secondary to the attainment of knowledge. Drawing on the Aristotelian tradition of ethics, the author argues against this intellectualization of Buddhism and in favour of a new understanding of the tradition in terms of which ethics plays an absolutely central role. In the course of this reassessment many basic concepts such as karma, nirvana and the Eightfold Path are reviewed and presented in a fresh light. The book will be of interest to readers with a background in either Buddhist studies or comparative religious ethics.

Contemporary Buddhist Ethics Damien Keown, 2013-01-11. This innovative volume brings together the views of leading scholars on a range of controversial subjects including human rights, animal rights, ecology, abortion, euthanasia and contemporary business practice.

Buddhist Ethics Hammalawa Saddhatissa, 2016-03-29. For more than a quarter of a century those in search of an introduction to Buddhist moral thought have turned and returned to this little volume. Thus notes Charles Hallisey of Harvard University in his introduction. Starting with an examination of classical Greek notions of ethics, Venerable Saddhatissa goes on to explain the development of Buddhist moral codes and their practical application. In this work Venerable Saddhatissa starts with an examination of Western notions of ethics, beginning with the early Greek philosophers and moving on to show us how the study of morality is crucial to a clear understanding of the Buddhist tradition. Drawing on a vast array of Buddhist scriptures, Venerable Saddhatissa explains the development and position of Buddhist precepts from a traditional perspective while simultaneously offering clear and practical advice on how best to live the moral life of a lay Buddhist practitioner. Throughout *Buddhist Ethics*, Venerable Saddhatissa always keeps us in touch with the pragmatic uses of Buddhist moral practices, not only as a way to live in harmony with the world but as an indispensable aspect of the path to the Buddha's highest spiritual goal.

Buddhist Ethics Damien Keown, 2020. Damien Keown offers an introduction to Buddhist moral teachings and considers the application of Buddhist ethical principles to pressing issues today, including violence and terrorism, environment, treatment of animals and views on sexuality and gender, abortion, suicide and euthanasia and technological developments such as AI.

A Mirror Is for Reflection Jake H. Davis, 2017-06-14. This volume offers a rich and accessible introduction to contemporary research on Buddhist ethical thought for interested students and scholars, yet also offers chapters taking up more technical philosophical and textual topics. *A Mirror is For Reflection* offers a

snapshot of the present state of academic investigation into the nature of Buddhist Ethics including contributions from many of the leading figures in the academic study of Buddhist philosophy Over the past decade many scholars have come to think that the project of fitting Buddhist ethical thought into Western philosophical categories may be of limited utility and the focus of investigation has shifted in a number of new directions This volume includes contemporary perspectives on topics including the nature of Buddhist ethics as a whole karma and rebirth mindfulness narrative intention free will politics anger and equanimity

Development of Buddhist Ethics Girija Shankar Prasad Misra, 1984 Description Religion is a doing and doing what is moral In Buddhism particularly there is such a great emphasis on moral doing that is very often designated as an ethical religion silaparaka dharma The present work seeks to study Buddhist ethics as a development process not only in terms of inner dynamics of Buddhism inherent in its doctrinal and ethical formulations but also in terms of its response to various historical compulsions which motivated its followers to introduce in its general framework novelties of forms and expressions It is hoped that such an approach would lead to a greater appreciation of Buddhist ethics both as an emergent of a unique spiritual vision and a social force The book which is divided in six chapters cover the entire range of Buddhist development in India The work is novel both in its approach and treatment of the subject It studies conceptual formulations in their proper historical contexts Modern debates on various ethical problems have been taken into account to bring about greater clarity in discussions

Buddhist Approach to Global Education in Ethics Thich Duc Thien, Thich Nhat Tu, 2019-04-16 EDITORS INTRODUCTION This volume is a collection of papers presented at the international workshop on Buddhist Approach to Global Education in Ethics which is being held on May 13 2019 at International Conference Center Tam Chuc Ha Nam Vietnam on the occasion of the 16th United Nations Day of Vesak Celebrations 2019 The aim is to throw new light on the values of the global ethical system with a focus on the Buddhist approach in deepening our understanding of how Buddhist ethics can deliver a social change in the globalized world REVIEW OF CONTENTS Prof P D Premasiri in his paper titled Universally valid ethical norms of Buddhism applicable to global education in ethics deals with hindrance in determining the basis for global education in ethics and providing undeniable facts about the diversity involved in ethical norms principles and attitudes of various global communities The author also discusses the characteristics of Buddhist teaching on a humanistic approach to the moral life with perceptions of enlightened humans i e Knowledgeable Persons vi puris The paper places further emphasis on the necessity to draw the attention of educators to train the minds of humans on ethical choices in accordance with such decisions The paper entitled Teaching Buddhist Ethics through the Life of the Buddha and Jesus by Abraham Velez De Cea has proposed a new approach to the Buddhist ethical way of teaching and its application through interpretations of the Buddha s life from the perspective of virtue ethics and meditation The purpose is to heighten the Buddhist contribution being made to global education in ethical issues The paper is divided into two parts Buddhist ethics as a form of virtue ethics and secondly interpretation of the Buddha s teachings from the perspective of

virtue ethics and meditation *The Oxford Handbook of Buddhist Ethics* Daniel Cozort, James Mark Shields, 2018 A comprehensive overview of the study of Buddhist ethics in the twenty first century *Buddhist Ethics* Doris Silbert Professor in the Humanities Jay L. Garfield, Jay L. Garfield, 2021-11-12 Buddhist Ethics presents an outline of Buddhist ethical thought It is not a defense of Buddhist approaches to ethics as opposed to any other nor is it a critique of the Western tradition Garfield presents a broad overview of a range of Buddhist approaches to the question of moral philosophy He draws on a variety of thinkers reflecting the great diversity of this 2500 year old tradition in philosophy but also the principles that tie them together In particular he engages with the literature that argues that Buddhist ethics is best understood as a species of virtue ethics and with those who argue that it is best understood as consequentialist Garfield argues that while there are important points of contact with these Western frameworks Buddhist ethics is distinctive and is a kind of moral phenomenology that is concerned with the ways in which we experience ourselves as agents and others as moral fellows With this framework Garfield explores the connections between Buddhist ethics and recent work in moral particularism such as that of Jonathan Dancy as well as the British and Scottish sentimental tradition represented by Hume and Smith

Living the Skilful Life Abhaya, 1996 Providing an introduction to Buddhist ethics this booklet outlines a commonly practised set of five precepts with commentary on each It covers the Buddhist approach to non violence sex drugs and alcohol and shows how in Buddhism ethics are not about forsaking things that are forbidden but about embracing a positive and joyful way of living **Theravāda Buddhist Ethics with Special Reference to Visuddhimagga** Vyanjana, 1992 Study of Buddhist ethics as reflected in the Visuddhimagga a philosophical work by Buddhaghosa *Consequences of Compassion* Charles Goodman, 2009-03-20 To many Westerners the most appealing teachings of the Buddhist tradition pertain to ethics Many readers have drawn inspiration from Buddhism's emphasis on compassion nonviolence and tolerance its concern for animals and its models of virtue and self cultivation There has been however controversy and confusion about which Western ethical theories resemble Buddhist views and in what respects In this book Charles Goodman illuminates the relations between Buddhist concepts and Western ethical theories Every version of Buddhist ethics says Goodman takes the welfare of sentient beings to be the only source of moral obligations Buddhist ethics can thus be said to be based on compassion in the sense of a motivation to pursue the welfare of others On this interpretation the fundamental basis of the various forms of Buddhist ethics is the same as that of the welfarist members of the family of ethical theories that analytic philosophers call consequentialism Goodman uses this hypothesis to illuminate a variety of questions He examines the three types of compassion practiced in Buddhism and argues for their implications for important issues in applied ethics especially the justification of punishment and the question of equality **Buddhist Ethics and Modern Society** Charles Wei-hsun Fu, Sandra Ann Wawrytko, 1991 The outgrowth of an historic international conference on Buddhist ethics in the modern world this volume offers a comprehensive overview of the status of the Buddhist tradition in a contemporary and global context

Buddhist experts from several Asian and Western nations address a number of ethical problems from the Buddhist perspective including medical and environmental ethics feminism the social impacts of materialism and ethnic minorities All major schools of Buddhism are represented Mahayana Theravada and Vajrayana as well as a variety of sects such as Chan Zen Lojong and Pure Land The diverse cultural settings of Buddhism are also well illustrated ranging from China to Japan Nepal Sri Lanka Thailand and the United States Throughout the Buddhist values of compassion and tolerance inform the discussions The papers are organized within a temporal framework in order to demonstrate the ongoing evolution of Buddhist thought Part One explores the historical roots of Buddhism and examines the concepts and practices that continue to exert a pervasive influence on Buddhist ethical principles The second group of essays confronts the pressing concerns of our times ecology nuclear war capitalism and more re evaluating them from a distinctly Buddhist perspective The third and final section is concerned with projections of Buddhism's future and its continuing evolution The contributors suggest ways in which Buddhist thought may be adapted to meet the needs of a multi cultural world and may even act as a unifying force among diverse cultures A glossary of Buddhist terms is included to enhance the understanding of readers at all levels Essential reading for courses of Buddhist thought this volume vividly demonstrates how the insights of Buddhism can help us effectively address the critical challenges of contemporary life
