Buffalo Hunters

K Morrison

Buffalo Hunters:

The Buffalo Hunters Mari Sandoz, 1978-01-01 In 1867 the total number of buffaloes in the trans Missouri region was conservatively estimated at fifteen million By the end of the 1880s that figure had dwindled to a few hundred The destruction of the great herds is the theme of this book Mari Sandoz's canvas is vast but it is charged with color and excitement accounts of Indian ambushes hairbreadth escapes gambling and gunfights military expeditions famous frontier characters Wild Bill Hickok Lonesome Charlie Reynolds Buffalo Bill Sheridan Custer and Indian Chiefs Whistler Yellow Wolf Spotted Tail and Sitting Bull *The Buffalo Hunters* Charles M. Robinson, 1995 Robert K Dearment From the 18th century to the final sad hunts of the mid 1880s Robinson describes all aspects of the hunt and the hunters A wealth of photographs including rare reproductions of the long lost glass plates of photographer George Robertson taken during an 1874 hunt illustrate this exciting volume of Western Americana **The Buffalo Hunters** Time-Life Books, 1993 Nomads of the great plains the ways of family and clan a bounty from the wild beast the timeless cycle of ceremony

Buffalo Hunt Russell Freedman, 1988 More than 30 paintings and drawings by artist adventurers who traveled West in the 1800s illustrate Freedman's vivid account of the Great Plains Indians buffalo hunts **The Sioux** Rachel A. Koestler-Grack, 2003 Discusses the Sioux Indians focusing on their tradition of hunting bison Includes a recipe for pemmican and instructions for making a paper buffalo robe

José's Buffalo Hunt Marc Simmons, 2003 This true story of an eleven year old boy and his first time participation in the annual buffalo hunt with the men from his northern New Mexico village takes place in 1866 Jose Arrellanes lived with his parents and his older brother Pablo in the hamlet of San Miguel on the Pecos River Like their neighbors the family farmed raising corn beans chile and onions Each fall they traveled to the Texas Panhandle to bring down the buffalo or cibolas and carry the meat back to their village so that everyone would have plenty to eat during the long cold winter **BOOK JACKET**

The buffalo hunters, and other tales Buffalo hunters, 1871 **American Buffalo** Steven Rinella, 2009-09-15 A hunt for the American buffalo an immensely readable Los Angeles Times examination of an animal that has haunted the national imagination from the 1 New York Times bestselling author and host of Netflix's MeatEater Both a fascinating piece of outdoor writing and a gonzo meditation on the history of the mighty beast in our national life Milwaukee Journal Sentinel A SAN FRANCISCO CHRONICLE BEST BOOK OF THE YEAR In 2005 Steven Rinella won a lottery permit to hunt for a wild buffalo or American bison in the Alaskan wilderness Despite the odds there's only a 2 percent chance of drawing the permit and fewer than 20 percent of those hunters are successful Rinella managed to kill a buffalo on a snow covered mountainside and then raft the meat back to civilization while being trailed by grizzly bears and suffering from hypothermia Throughout these adventures Rinella found himself contemplating his own place among the 14 000 years worth of buffalo hunters in North America as well as the buffalo's place in the American experience **American Buffalo** is a narrative tale of Rinella's hunt But beyond that it is the story of the many ways in which the buffalo has shaped our national identity Rinella takes us across

the continent in search of the buffalo's past, present and future to the Bering Land Bridge where scientists search for buffalo bones amid artifacts of the New World's earliest human inhabitants to buffalo jumps where Native Americans once ran buffalo over cliffs by the thousands to the Detroit Carbon works a bone charcoal plant that made fortunes in the late 1800s by turning millions of tons of buffalo bones into bone meal, black dye and fine china and even to an abattoir turned fashion mecca in Manhattan's Meatpacking District where a depressed buffalo named Black Diamond met his fate after serving as the model for the nickel. Both a captivating narrative and a book of environmental and historical significance, *American Buffalo* tells us as much about ourselves as it does about the creature who perhaps best of all embodies the American ethos.

WINNER OF THE SIGURD OLSON NATURE WRITING AWARD *The Hunting of the Buffalo* E. Douglas Branch, 1997-01-01

The Hunting of the Buffalo originally published in 1929 tells all about the marvelous and useful animal that once roamed the American plains. Its gradual extermination is chronicled by E. Douglas Branch who drew on rich materials including Indian legends, old letters and diaries, and tales of frontier travelers. No one has ever written more memorably about the great herds, their habits and haunts, their importance to the Indians, their discovery by awed whites, their decimation by huge cultural and economic forces.

Thunder on the Open Plains: The Rise and Fall of America's Buffalo Hunters Tessa Morgan, 2025-11-26

Before the railroad, before the barbed wire fence and before the frontier fully closed, there existed a brief but transformative period dominated by a profession both revered and reviled: the buffalo hunter. *Thunder on the Open Plains* provides experts and professionals with a deeply technical, methodical exploration of the hunters who altered the ecology, economy and culture of the American West. This book examines the precision rifles, shooting techniques, hides, processing systems, transportation, logistics and commercial networks that powered the buffalo trade at its peak. Drawing from journals, military accounts, trade documents and modern wildlife studies, it reconstructs how hunters operated across vast prairies, selecting vantage points, calculating wind and distance, and using specialized equipment designed for extremely long range shooting. Beyond the mechanics, the narrative analyzes the environmental consequences, Indigenous resistance, market fluctuations and government policies that accelerated the collapse of the great bison herds. Each chapter offers clear technical insights into how an industry rising rapidly on profit and exploitation collapsed just as quickly under its own pressure. Designed for readers seeking depth and accuracy, this study illuminates a frontier era defined by skill, ambition and irreversible transformation.

The Buffalo Hunter Zane Grey, 1979 **The Buffalo Hunters** Wayne C. Lee, 1972 *The Buffalo Hunters* Gary McCarthy, 2001-04

Thomas Atherton always dreamed of leaving Boston and heading west across the great frontier. When he met the legendary Buffalo Bill at his famous Wild West Show, Thomas decided it was time to make his dream a reality. He saw his chance when he heard of a 5,000 reward to the first man to find a surviving herd of the nearly extinct buffalo. So he set out to test his mettle on a buffalo hunt.

Pioneer Days in the Southwest from 1850 to 1879, 1909

Buffalo Days Josiah Wright Mooar, James Winford Hunt, 2005

Mooar describes how buffalo hunting became a huge

business that thrived for less than a decade in the 1870s and makes the case that the buffalo hunter more than anyone else opened the way for white settlement by eradicating the Indians source of food *The Border and the Buffalo* John R. Cook, 2016-10-25 Hunting the buffalo and fighting Indians on the western frontier For millennia the great herds of North American bison or buffalo as they were popularly known had roamed the continental heartland followed by the indigenous Indian tribes whose own existence in every sense depended upon them After the American Civil War as the new railroads pushed from ocean to ocean the herds of buffalo came in closer proximity to the ever increasing numbers of settlers intent on fulfilling the manifest destiny of the American people by crossing and populating the nation Now the political and economic potential of intensively hunting the buffalo became apparent So the buffalo hunter a resourceful opportunist armed with a long rifle appeared across the western wilderness This book a highly regarded classic on its subject was written by a frontiersman buffalo hunter and graphically describes his life of the Great Plains These hunters heralded not only the end of the great herds of buffalo but also the demise of the traditional way of life for the Plains Indian tribes So inevitably this book also relates the authors experiences as an Indian fighter particularly against the Comanches Despite our contemporary understanding of these tragic events John Cook s narrative provides an entertaining and thrilling insight into a life lived in the Wild West in its heyday Leonaur editions are newly typeset and are not facsimiles each title is available in softcover and hardback with dustjacket our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands *The Boy Hunters; Or, Adventures in Search of a White Buffalo* Mayne Reid, 1882 **The Hunting of the Buffalo** Edward Douglas Branch, 1929 **Champion Buffalo Hunter** Jeanette Prodgers, 2008-11-05 The Champion Buffalo Hunter is the fascinating memoir of one of the most legendary frontiersmen of the early West Yellowstone Vic Smith Born Victor Grant Smith in 1850 he lived a colorful life across the American frontier from the 1870s to 1890s A classic frontiersman he was a trapper dispatch rider scout trick shot and yes buffalo hunter extraordinaire Discovered in Harvard University s Houghton Library in 1990 this remarkable autobiography which Smith wrote in the third person is comparable to Andrew Garcia s Tough Trip through Paradise but notes the editor without the melodrama Written in a matter of fact often humorous style it will engage and entertain all those interested in the lives and times of the men who wandered the West following the great herds and settling only long enough for the snows to melt This new edition includes a revised and updated foreword by Jeanette Prodgers based on new research into the life of Yellowstone Vic *The Hunting of the Buffalo* E. Douglas Branch, 2025-11-06 The Hunting of the Buffalo by E Douglas Branch is a sweeping and deeply evocative history of the American frontier s most iconic pursuit the great buffalo hunt First published in 1929 this classic work combines meticulous research with lyrical prose to tell the story of how a majestic animal once numbering in the tens of millions came to symbolize both the vitality and the tragedy of the West Branch traces the buffalo s central place in the lives of Native American tribes for whom it was a source of food shelter and spiritual power before recounting its near extermination at the

hands of commercial hunters and settlers Drawing on explorers journals oral traditions and frontier memoirs he captures the excitement peril and pathos of the chase from the thunder of hooves across the plains to the stark silence that followed their disappearance Yet *The Hunting of the Buffalo* is far more than an elegy for a vanished species It is a meditation on humanity's restless relationship with nature on greed and necessity and on the loss of a world where balance once governed survival Branch writes with the clarity of a historian and the feeling of a poet transforming a familiar episode of Western lore into a story of epic moral dimension For readers of history environmental studies and Americana *The Hunting of the Buffalo* remains one of the definitive works on the frontier era a vivid narrative that preserves with both beauty and sorrow the memory of the animal that once defined a continent

This is likewise one of the factors by obtaining the soft documents of this **Buffalo Hunters** by online. You might not require more mature to spend to go to the books initiation as well as search for them. In some cases, you likewise get not discover the statement Buffalo Hunters that you are looking for. It will extremely squander the time.

However below, subsequently you visit this web page, it will be thus unconditionally simple to acquire as well as download guide Buffalo Hunters

It will not believe many times as we notify before. You can get it even if appear in something else at home and even in your workplace. appropriately easy! So, are you question? Just exercise just what we have enough money below as well as review **Buffalo Hunters** what you when to read!
