**INVISIBLE  
ORPHANAGE**

A Prehistory of the  
American Welfare System

**MATTHEW A. CRENSON**

# Building Invisible Orphanage

**Kathie Carpenter**

## **Building Invisible Orphanage:**

**Building the Invisible Orphanage** Matthew A. Crenson, 2009-07-01 This book examines the connection between the decline of the orphanage and the rise of welfare in America Matthew Crenson argues that the prehistory of the welfare system was played out not on the stage of national politics or class conflict but in the micropolitics of institutional management

*Building the Invisible Orphanage* Matthew A. Crenson, 1998-12-15 New arrangements for child welfare policy emerged gradually as superintendents visiting agents and charity officials responded to the difficulties that they encountered in running orphanages or creating systems that served as alternatives to institutional care

**Life in a Cambodian Orphanage** Kathie Carpenter, 2021-05-14 What is it like to grow up in an orphanage What do residents themselves have to say about their experiences Are there ways that orphanages can be designed to meet children's developmental needs and to provide them with necessities they are unable to receive in their home communities In this book detailed observations of children's daily life in a Cambodian orphanage are combined with follow up interviews of the same children after they have grown and left the orphanage Their thoughtful reflections show that the quality of care children receive is more important for their well being than the site in which they receive it Life in a Cambodian Orphanage situates orphanages within the social and political history of Cambodia and shows that orphanages need not always be considered bleak sites of deprivation and despair It suggests best practices for caring for vulnerable children regardless of the setting in which they are living

**A Home for Every Child** Patricia Susan Hart, 2011-05-01 Adoption has been a politically charged subject since the Progressive Era when it first became an established part of child welfare reform In *A Home for Every Child* Patricia Susan Hart looks at how when and why modern adoption practices became a part of child welfare policy The Washington Children's Home Society now the Children's Home Society of Washington was founded in 1896 to place children into adoptive and foster homes as a means of dealing with child abuse neglect and homelessness Hart reveals why birth parents relinquished their children to the Society how adoptive parents embraced these vulnerable family members and how the children adjusted to their new homes among strangers Debates about nature versus nurture fears about immigration and anxieties about race and class informed child welfare policy during the Progressive Era Hart sheds new light on that period of time and the social cultural and political factors that affected adopted children their parents and administrators of pioneering institutions like the Washington Children's Home Society

*Recovering the Piedmont Past* Timothy Paul Grady, Andrew H. Myers, 2019-01-08 An anthology exploring the modernization of the South Carolina upcountry and the region's role in creating the New South Continuing the theme of unexplored moments introduced in *Recovering the Piedmont Past* *Unexplored Moments in Nineteenth Century Upcountry South Carolina History* Timothy P Grady joins with Andrew H Myers to edit this second anthology that uncovers the microhistory of this northwest region of the state Topics include the influence of railroads on traveling circuses tourist resorts and visits by Booker T Washington during the rise of Jim Crow

pioneering efforts by progressives to identify the cause of pellagra disease a debate over populism involving Pitchfork Ben Tillman the acculturation of Greek immigrants and the daily lives of Civilian Conservation Corps workers during the New Deal After years of being overshadowed by the coastal elite upcountry South Carolinians began to play a vital role in modernizing the region and making it an integral part of the New South In a study of this shift in the balance of power the contributors examine religious history the economic boom and bust popular recreational activities and major trends that played out in small places By providing details and nuance that illuminate the historical context of the New South and engaging with the upcountry from fresh angles this second volume expresses a deep local interest while also speaking to broader political and social issues Melissa Walker the George Dean Johnson Jr Professor of History Emerita at Converse College and coeditor of *Recovering the Piedmont Past Unexplored Moments in Nineteenth Century South Carolina History* provides a foreword

*Public Pensions* Susan M. Sterett, 2018-05-31 In *Public Pensions* Susan M Sterett traces the legal and constitutional structures underlying early social welfare programs in the United States Sterett explains the status of state and local government payments for public servants and the poor from the mid nineteenth century until the Great Depression The most visible public payments for service in the United States were directed to soldiers who risked death for the nation However firemen not soldiers first captured local governments attention social welfare programs for soldiers were modeled on firemen s pensions The dangerous work of firefighting and of combat provided the fundamental legal analogy for courts as governments expanded pensions in the late nineteenth and early twentieth centuries Nothing about the state court doctrine approving payments for dangerous local service would allow pensions for indigent mothers and for the elderly which states began to consider after 1910 Counties and railroads that objected to the new taxes could fight programs based on the old doctrine established for firefighters soldiers and finally civil servants State litigation provided one of the many grounds for contesting expanded welfare states in the early twentieth century United States Sterett demonstrates that state courts maintained a gendered division between the service that marked citizenship and the dependence that marked indigence even during the promising ferment of the early twentieth century

**The Oxford Encyclopedia of American Political and Legal History** Donald T. Critchlow, Philip R. VanderMeer, 2012-06-07 The Oxford Encyclopedia of American Political and Legal History brings together an unparalleled wealth of information about the laws institutions and actors that have governed America throughout its history Entries key political figures important legislation and governmental institutions broad political trends relating to elections voting behavior and party development as well as key court cases legal theories constitutional interpretations Supreme Court justices and other major legal figures Emphasizing the interconnectedness of politics and law the more than 430 expertly written entries in the Encyclopedia provide an invaluable and in depth overview of the development of America s political and legal frameworks

*The Hutton Settlement* Doris Hinson Pieroth, 2003 The Hutton Settlement in Spokane Washington is a remarkable embodiment of philanthropy altruism and stewardship L W

Hutton built and endowed his home for children orphaned or otherwise in need of a secure shelter with wealth gleaned from the silver of Idaho's Coeur d'Alene mining district. Herein is a chronicle of that unique venture beginning with the story of Levi Hutton, his rise to riches and the construction of the home's impressive buildings and pastoral campus. It reflects eighty years of change in the theory and practice of child care and is based on the Settlement's official records as well as press accounts and interviews.

**Annals of Iowa**, 2001 *The Praeger Handbook of Adoption* Kathy S. Stolley, Vern L. Bullough, 2006 *Children and Youth in Adoption, Orphanages, and Foster Care* Lori Askeland, 2006

Divided into three sections, this collection of original essays reviews the practice of adoption, orphanage placement, and foster care from the colonial period to the present day. Featuring a strong focus on developments in the 20th century, the book also covers representations of orphans that have populated children's literature from the folk tales of many different cultures to films that constitute part of the cultural inheritance of American children. Selected primary documents, including materials by children as well as an in-depth bibliographic section, provide crucial information and insight for high school and college students, social workers, journalists, and the general reader.

**BOOK JACKET** **Encyclopedia of the United States in the Nineteenth Century** Paul Finkelman, 2001

The 19th century was arguably the most important in the nation's history, making the publication of this first-rate encyclopedia a significant event. Students using this 600-entry work, which is conveniently keyed to the National Standards for United States History, will find the entries easy to follow and enjoyable to read. It is an essential purchase for all public and academic libraries.

Outstanding Reference Sources, American Libraries, May 2002

*Poverty in the United States* Gwendolyn Mink, Alice O'Connor, 2004

Poverty in the United States: An Encyclopedia of History, Politics, and Policy follows the history of poverty in the United States with an emphasis on the 20th century and examines the evolution of public policy and the impact of critical movements in social welfare, such as the New Deal, the War on Poverty, and more recently, the end of welfare as we know it. Encompassing the contributions of hundreds of experts, including historians, sociologists, and political scientists, this resource provides a much broader level of information than previous highly selective works. With approximately 300 alphabetically organized topics, it covers topics and issues ranging from affirmative action to the Bracero Program, the Great Depression, living wage campaigns, to domestic abuse and unemployment. Other entries describe and analyze the definitions and explanations of poverty, the relationship of the welfare state to poverty, and the political responses by the poor, middle class, professionals, and the policy elite.

**Orphan Dinah** Eden Phillpotts, 1920

**The Family in America** Joseph M. Hawes, Elizabeth F. Shores, 2002-05-22

An incisive multidisciplinary look at the American family over the past 200 years, written by respected scholars and researchers, *Family in America* offers two powerful antidotes to popular misconceptions about American family life: historical perspective and scientific objectivity. When we look back at our early history, we discover that the idealized 1950s family, characterized by a rising birthrate, a stable divorce rate, and a declining age of marriage, was a historical aberration out of line with long-term

historical trends Working mothers we learn are not a 20th century invention most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change
