Batik Fabled Cloth Of Java:

Batik Inger McCabe Elliott,2010-10-10 TEXTILE ARTS Batik Fabled Cloth of Java is a sumptuous classic book richly illustrated with color plates of the finest antique and contemporary batik from thirty museums and private collections around the world It includes historical photographs etchings engravings maps and photographs of modern Java **Batik** Inger McCabe Elliott,1985-01-01 **Batik. Traces through time** Fiona Kerlogue,Dagmar Pospíšilová,2021-01-01 The batik of Java has a special place in museum textile collections and aspects of the art of batik have been discussed at length in countless publications This study based on the batik collections of the N prstek Museum raises a number of questions which have been so far underexplored How strong is the evidence for the early manufacture of batik in Java How and when did batik making become widely practised there Was it made by village women for their own use How and why did batik develop into an industry employing thousands of people filling warehouses with stock to be distributed throughout the Indonesian archipelago What was the effect of the introduction of wax printing and of aniline dyes It is often asserted that batik carries deep meaning To what extent is this really the case When did batik depicting wayang or shadow puppet figures start to be made and who for What was the role of calligraphy batiks And what was it that drew European collectors to batik in the early 20th century What local circumstances governed their choices In a series of essays this volume explores these questions drawing on contemporary sources and providing a wealth of new insights **Batik: From the Courts of Java and Sumatra** Rudolf G. Smend,Leo Haks,2004-02 From one of the top batik dealers in the world this book features over 70 pieces from the late 19th early 20th centuries *Politics of Dress in Asia and the Americas* Mina Roces,2010-01-20 Explores the ways in which dress has been influential in the political agendas and self representations of politicians in a variety of regimes from democratic to authoritarian Arguing that dress is part of politics this book shows how dress has been crucial to the constructions of nationhood and national identities in Asia and the Americas **Transboundary Heritage and Intellectual Property Law** Patricia Covarrubia,2022-11-30 Since the Intangible Heritage Convention was adopted by UNESCO in 2003 intangible cultural heritage has increasingly been an important subject of debate in international forums As more countries implement the Intangible Heritage Convention national policymakers and communities of practice have been exploring the use of intellectual property protection to achieve intangible cultural heritage safeguarding outcomes This book examines diverse cultural heritage case studies from Indigenous communities and local communities in developing and industrialised countries to offer an interdisciplinary examination of topics at the intersection between heritage and property which present cross border challenges Analysing a range of case studies which provide examples of traditional knowledge traditional cultural expressions and genetic resources by a mixture of practitioners and scholars from different fields the book addresses guidelines and legislation as well as recent developments about shared heritage to identify a progressive trend that improves the understanding of intangible cultural heritage Considering all forms of intellectual property including

patents copyright design rights trade marks geographical indications and sui generis rights the book explores problems and challenges for intangible cultural heritage in crossborder situations as well as highlighting positive relationships and collaborations among communities across geographical boundaries Transboundary Heritage and Intellectual Property Law Safeguarding Intangible Cultural Heritage will be an important resource for practitioners scholars and students engaged in studying intangible cultural heritage intellectual property law heritage studies and anthropology

The Book of Batik
Fiona Kerlogue, 2004 *A Comparative Study of Batik and Kalamkari Paintings- With special reference to Telangana and Andhra Pradesh* Dr. Priti Samyukta, **Globalization in Southeast Asia** Shinji Yamashita, Jeremy Seymour Eades, 2003

The rapid postwar economic growth in the Southeast Asia region has led to a transformation of many of the societies there together with the development of new types of anthropological research in the region Local societies with originally quite different cultures have been incorporated into multi ethnic states with their own projects of nation building based on the creation of national cultures using these indigenous elements At the same time the expansion of international capitalism has led to increasing flows of money people languages and cultures across national boundaries resulting in new hybrid social structures and cultural forms This book examines the nature of these processes in contemporary Southeast Asia with detailed case studies drawn from countries across the region including Indonesia Malaysia the Philippines Singapore and Thailand At the macro level these include studies of nation building and the incorporation of minorities At the micro level they range from studies of popular cultural forms such as music and textiles to the impact of new sects and the world religions on local religious practice Moving between the global and the local are the various streams of migrants within the region including labor migrants responding to the changing distribution of economic opportunities and ethnic minorities moving in response to natural disaster
