

A photograph of a beach at sunset. The sun is low on the horizon, partially obscured by a dark, craggy cliff on the left. The sun's rays create a bright lens flare effect. The sky is a pale, hazy blue. The ocean is visible on the right, with gentle waves. A path of footprints, consisting of two sets of tracks, leads from the foreground towards the ocean. The sand is a warm, golden-brown color. The overall mood is contemplative and serene.

## FOOTPRINTS

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonged to him, and the other to the LORD.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The LORD replied, "My precious, precious child, I have you and would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."
