Catholic Prophecy:

Prophecy For Today Edward Connor, 1985 The Last Pope Robert Howells, 2013-06-20 A historian dissects the prophecies of a Nostradamus like seer who suggests the end of the papal throne and the beginning of a new era in the Roman Catholic Church Nearly a thousand years ago the Archbishop of Armagh later canonized as St Malachy made a series of prophecies that were hidden in the Vatican for four hundred years His predictions gave clues to the identities of the 109 Popes from medieval times to present day including the final Pope who would oversee the end of the Papacy and the fall of the Roman Catholic Church The Last Pope examines the sudden rediscovery of these prophecies in the sixteenth century how they may have been used as propaganda in the campaign to promote Pope Gregory XIV to the papal throne and how the 2013 papal election may have been our last Robert Howells has spent the last twenty years researching and writing about religious and historical mysteries By drawing on his extensive knowledge of both the political and spiritual history of the Catholic Church he places Pope Francis in the context of what will potential be the most challenging era for the papacy The Last Pope seeks to answer questions surrounding the future of the Catholic church offering an investigating that will fascinate readers who are fascinated by the unresolved mysteries in the history of Christianity *The Vatican Prophecies* John Thavis, 2015-09-15 Examines how the Catholic Church evaluates judges and controls miraculous events to determine their authenticity revealing deep internal debates on the power of relics revelations and exorcisms End Times Prophecies a Catholic Perspective Michael Freze, 2016-03-01 FROM A BESTSELLING AUTHOR and recognized scholar A Catholic perspective on end times prophecies Includes end time Bible prophecy on the chastisement three days darkness the tribulation the Antichrist and the second coming of Christ Ancient and recent prophecies from the Bible the mystics and the saints Unlike countless books today which deal with current world events related to prophecy predicting specific dates for the rapture and the return of Christ this book sets the background on prophetic messages throughout Church history in a well balanced informative manner An inspiring read A recent endorsement I have to say that of the many books I have read having multiple degrees in theology including my Doctorate from Columbia University your *They Bore the Wounds of Christ The Mystery of the Sacred Stigmata* is one of my all time favorites In fact not only do I continue to refer to it but there are certain passages that you explain that could only be attributable to infused divine inspiration Please continue to write Peace Deacon Mike Vicinanza April 17 2016 **Christian Prophecy** Niels Christian Hvidt, 2007-04-19 Throughout the Hebrew Bible God guides and saves his people through the words of his prophets When the prophets are silenced the people easily lose their way What happened after the incarnation death and resurrection of Christ Did God fall silent The dominant position in Christian theology is that prophecy did indeed cease at some point in the past if not with the Old Testament prophets then with John the Baptist with Jesus with the last apostle or with the closure of the canon of the New Testament Nevertheless throughout the history of Christianity there have always been acclaimed saints and mystics most of them women who

displayed prophetic traits In recent years the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity Scholarly theological attitudes toward Christian prophecy range from modest recognition to contempt Mainstream systematic theology both Protestant and Catholic has mostly marginalized or ignored the gift of prophecy In this book however Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church Prophecy never died he argues but rather proved its dynamism by mutating to meet new historical conditions He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it Throughout though there is always an awareness of the critical discernment required when evaluating the charism of prophecy The debate about prophecy Hvidt shows leads to some profound insights about the very nature of Christianity and the church For example some have argued that Christianity is a perfect state and that all that is required for salvation is acceptance of its doctrines Others have emphasized how God continues to intervene and guide his people onto the right path as the full implementation of God s salvation in Christ is still far away This is the position that Hvidt forcefully and persuasively defends and develops in this ambitious and important work When Mary and the Saints Spoke About the Anti-Christ Angelita Felixberto,2021-06-30 The book is divided into two parts The first one talks about my mystical experiences in relation to four Marian apparitions It talks about almost a uniform warning about a period of chastisement and how current events seem to fit the bill The second part of the book deals with what four saints have talked about pertaining to the anti Christ There was a prophecy that the Vatican will apostatize Some references by the Saints seem to reflect it so

2012 and the Rise of the Secret Sect ,2009 The Prophets and Our Times R. Gerald Culleton, Brother Hermenegild,2013-09-08 Originally written in the early 1940 s this book is even more appropriate for those studying prophecy today Any serious student of Catholic Prophecy should possess several books and this one is near the top of the list They should also have The Apocalypse of Saint John by E Sylvester Berry and The Book of Destiny by Herman Bernard Kramer Culleton s other work The Reign of Antichrist is also very useful in carrying study forward In the 19th century James Ratton wrote two books Essays on the Apocalypse and The Apocalypse of Saint John His works should also be consulted by the serious student of Catholic prophecy Father Culleton begins with an overview of the prophecies and his prophetic time line He then proceeds to the prophecies in chronological order with very few comments which are easily recognizable Culleton has gathered together a sizable number of prophecies His conclusions may be out of date but the prophecies themselves are more important today than they were in the middle of the last century when Culleton compiled them He discusses the Great Monarch and the Angelic Pastor He also touches on Antichrist In fact he subtitles this book Signs that Precede the Antichrist Culleton reports the following prayer from a priest in Rome in 1936 O Jesus Divine Saviour Be merciful be merciful to us and to the whole world Amen Powerful God Holy God Immortal God Have compassion upon us and

upon the whole world Amen Eternal Father show us mercy in the name of the Precious Blood of Thy Only Son show us mercy we implore Thee Amen Although he does not mention Sister Faustina one can easily see the tie in with the devotion to the Divine Mercy she was led by Almighty God to promote Culleton reports a Franciscan Father in Arizona as stating Don Bosco's prophecy The Pope will die and live again refers to the peculiar circumstances surrounding Pius XI and Pius XII when the former died Fides Intrepida died but when Pius XII his Secretary of State was elected Fides Intrepida lived again Pius XII according to this would not be the Pastor Angelicus at least not the one who would rule with the Great Monarch With the speculation about Saint Malachy's prophecies of the popes this student of Catholic Prophecy may wish to investigate this and two other prophets Saint John Capistrano and the Monk of Padua that Culleton quotes as describing the last Popes in history

Catholic Prophecy Yves DuPont,1994-02 In our opinion this is the best book of prophecy in print Covers the Great Catholic Monarch the Holy Pope and the period before Antichrist with excellent excellent commentaries by Dupont It seems totally impossible that so many prophecies from various countries and different centuries should all speak about the same time and the same historical characters Shows the coalescing of Saints prophecies on our times and our immediate future 125 Pp PB

Middle-earth and the Return of the Common Good Joshua Hren,2018-10-05 Political philosophy is nothing other than looking at things political under the aspect of eternity This book invites us to look philosophically at political things in J R R Tolkien's legendarium demonstrating that Tolkien's potent mythology can be brought into rich fruitful dialogue with works of political philosophy and political theology as different as Plato's Timaeus Aquinas De Regno Hobbes's Leviathan and Erik Peterson's Monotheism as a Political Problem It concludes that a political reading of Tolkien's work is most luminous when conducted by the harmonious lights of fides et ratio as found in the thought of Thomas Aquinas A broad study of Tolkien and the political is especially pertinent in that the legendarium operates on two levels As a popular mythology it is in the author's own words a really long story that would hold the attention of readers amuse them delight them and at times maybe excite them or deeply move them But the stories of The Silmarillion and The Lord of the Rings contain deeper teachings that can only be drawn out when read philosophically Written from the vantage of a mind that is deeply Christian Tolkien's stories grant us a revelatory gaze into the major political problems of modernity from individualism to totalitarianism sovereignty to surveillance terror to technocracy As an outsider in modernity Tolkien invites us to question the modern in a manner that moves beyond reaction into a vivid and compelling vision of the common good

Will Catholics Be Left Behind? Carl Olson,2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological

historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye s many works on Bible prophecy are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon s scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church s majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O Brien Author Father Elijah *Prophetic Obedience* Hinze, Bradford E.,2016-03-08
