own The Duchess of Devonshire's masquerade ball begins the shattering climax that will reveal the true faces of Caitlyn and her suitors in *Cats Masquerade*. The evocation of the London of 1803 in *Cats Masquerade* is replete with the historical personages of that time and their milieu. The rich historical tapestry through which the main fictional characters move with its real people, sights, sounds, and places comes alive through the prose and dialogue. The Duchess of Devonshire, Beau Brummell, the Prince of Wales, Gentleman Jackson, and Tom Cribb live again in this story, which takes the reader to all the highlights of the Season: from Presentation at Court, dancing at Almack's, and promenading in the Park to boxing at the Fives Court and bidding at Tattersalls. The sumptuous life of the upper classes with its hidden shoals of danger is recreated in vivid detail. There is something for everyone at *Cats Masquerade*: mystery, intrigue, passion, sexual awakening, coming of age, and danger, all woven in a fabric of horse racing, boxing, operas, balls, social ambition, and a love both forbidden and dangerous.

**25 More Facts About House Cats** B. J. Deming, 2021-02-25 How did cats evolve? It's a long and complicated story, but house cats are the purrfect way to get started. This book explores some of their history with us and looks at interesting facts about moggies as well as a few fancy breeds. It is the companion volume to *25 Facts About House Cats*. *The Cats* Time-Life Television, 1976. Based on the television series *Wild, Wild World Animals*. *The Galena Feline Duet* Linda Rae Sande, 2026-02-28 Two short novellas set twenty years apart chronicle how a collection of cats make for mischievous matchmakers. When English potter Emma settles in thriving Galena, Illinois, to establish her own workshop in 1842, she expects she'll be able to sell her wares in the local dry goods store. Robert, the proprietor, claims he doesn't have the space to carry more than a couple of pieces, though. That is, until his cat's playful antics lead to an unforeseen incident that compels both Robert and Emma to contemplate much more than just a business arrangement. Twenty years later, Emma and Robert's daughter, Ella Mae, is reacquainted with John. They shared a schoolroom while growing up in Galena. He has recently returned to the boom town after suffering an eye injury in one of the early battles of the Civil War and now runs the local stable. He has no intention of attending the local masquerade ball, but after Ella Mae's father arranges for him to drive her home one evening, he changes his mind. With a quartet of mischievous cats involved, is the groom about to become a bridegroom? [The Last Knight](#) Pierre Terjanian, Andrea Bayer, Adam B. From the time he became duke of Burgundy at the age of eighteen until his death, his passion for the trappings and ideals of knighthood served his worldly ambitions, imaginative strategies, and resolute efforts to forge a legacy. A master of self-promotion, he ordered exceptional armor from the most celebrated armorers in Europe, as well as heroic autobiographical epics and lavish designs for prints. Indeed, Maximilian's quest to secure his memory and expand his sphere of influence

despite chronic shortages of funds that left many of his most ambitious projects unfinished was indomitable Coinciding with the 500th anniversary of Maximilian's death this catalogue is the first to examine the masterworks that he commissioned revealing how art and armor contributed to the construction of Maximilian's identity and aspirations and to the politics of Europe at the dawn of the Renaissance

*Raising a Masquerade Cat* Larry Herman, 2024-04-21 Siberian cats come in many different colorpoint types and the Neva Masquerade is one of them Siberian cats are known for having long thick fur being big and being friendly The Neva Masquerade type has pointed coloring like a Siamese cat and the ears face paws and tail are darker Here are some important facts and traits about Neva Masquerade cats Neva Masquerade cats came from Russia especially from Siberian cats that were bred together Neva Masquerade comes from the name of the river in St Petersburg Russia and the way the colors are arranged which looks like a masquerade Neva Masquerade cats have a semi longhair body with different color points such as a seal point blue point chocolate point or lilac point They are strong and powerful and their heads are broad Their eyes are big and expressive and their tails are bushy Points of Color A Neva Masquerade cat's color points are darker on its head face paws and tail but lighter on its body One thing that makes this breed unique is the difference between the body color and the points Coat Siberian cats like Neva Masquerade have a coat with three layers that keeps them warm in cold weather They need to be groomed regularly to keep their coat in good shape and stop mats from forming How They Act Neva Masquerade cats are known for being friendly and social People who own them tend to love them and they get along well with kids and other pets They are also smart and like to play with other animals Health Siberian cats are generally thought to be strong and healthy But like all cats they may be more likely to get some genetic or breed specific health problems To make sure they are healthy they need to go to the vet for regular check ups Hypoallergenic Some people who are allergic to cats may be able to handle Siberian cats like Neva Masquerade better

than other types Even though no cat is fully hypoallergenic some allergy sufferers may find that cats are better for them because their saliva and dander have less of the Fel d 1 protein If you re thinking about getting a Neva Masquerade cat you should make sure to give them the right care like a healthy food regular grooming and lots of chances to play and think Additionally make sure you buy your cat from a respected breeder who puts the animals health and well being first
