Caught Out In Cornwall:

Caught Out in Cornwall (Large Print 16pt) Janie Bolitho,2014-10-03 When Rose Trevelyan sees a young girl being carried away by someone who appears to be her father she thinks nothing of it Until that is the appearance of a frantic mother who cannot find her child Beth Jones is only four years old and her mother is adamant that the man Rose saw taking her away must be a stranger Wracked with guilt for not intervening Rose once again finds herself entangled in a criminal investigation As time passes it becomes clear that the chances of getting Beth back unharmed are very bleak indeed Jon Cornwall'S Adventures David Higgins,2012-12-21 John Cornwall started life as your original thin asthmatic eight stone weakling who meets his first love only to see her snatched away from him by a brutal murderer This sparks a unique skill in him that will change his life forever As he slowly develops this new found skill he is able to use it to track down and seek revenge for the murder of his girlfriend However the use of this skill does not go unnoticed and soon a Chief Forensic Officer begins investigating only to discover that there is more to John than meets the eye All the time John is also being secretly observed and evaluated John joins the Ministry of Defence and becomes embroiled in a major conspiracy which threatens his very life and belief in what is right and wrong while his own private life suffers even more tragedy when the beautiful Vivian enters his life John will need all his new found skill and more to help him just survive but at what cost This book marks the first of a series of John Cornwall adventures **Jon Cornwall's Adventures Part 2** David Higgins,2016-06-27 Jon is in a dark place having lost the love of his life and his long term job The promised contractual arrangement with Chief Forensic Investigator Gamble has come to nothing and he hasn't even heard from him since signing Then that mysterious voice in his head returns and directs him to where a desperately frail and naked Tracey lays in the middle of a forest close to death This meeting sparks a reconnection with not only Tracey but Gamble as well Soon he learns about other members of his Lower Middle Group each with their own special skills but their presence is felt by his enemies too the Higher Middle who are determined to upset the fragile balance of life The net starts to close in around Jon The Higher Middle is well organized motivated ambitious and much stronger as they plot the downfall of Jon's Lower Middle Group Not everyone will survive the upcoming confrontation one that will determine which Group has world dominance The question is whether the balance has shifted too much in one direction a shift that will impact every human being on earth This is Part 2 of Jon Cornwall's trilogy Stay tuned for the final encounter *Cornwall's First Town in the Frontline* P. Joe Plant,2010-07 Little if anything is known about Torpoint's passage through the years of World War II in fact it is a time forgotten This book goes some way to describe what actually did happen It is not about one story but about many individual stories threaded together to record and validate one person's recollection together with others to give a true account of the incident in question which caused death and injuries to its civilian residents also the fate of its servicemen who died in battle throughout the world Due to censorship the taking of photographs was not permitted However during research for the book a few did come to light including German

Reconnaissance photos identifying Torpoint as a target and American GIs leaving on 1st June 1944 bound for the D Day Landings a truthful illustration of the times and incidents that did occur This book also identifies a complete list of Torpoint s War fatalities their courage dedication and sense of sacrifice which brought about their early demise It is a chronicle of a short period in the town s history that students will learn from and that for others will hopefully rekindle lost family memories I can only congratulate Joe on a quite remarkable achievement This book will provide a permanent insight to this and future generations of the dark days our predecessors had to endure the contribution they made to eventual victory and the freedoms we enjoy today Richard Carew Pole Bt ABOUT THE AUTHOR Joe Plant was born in Crystal Palace London During the London Blitz of March 1941 his family was bombed out so he has personal experience of being involved with incidents of falling bombs during the Blitz He travelled north to Lancashire to seek refuge returning before the end of the war to the devastation of London In 1955 he was conscripted as a National Serviceman and served in Malaya during the Emergency War Demobed in 1957 in 1959 he married his wife Annette From their marriage they have three children and seven grandchildren In 1963 through a car accident Joe was was left partially sighted He trained as a Design Draftsman had to change his profession to become a Purchasing Manager which took him to many foreign countries before he was seconded to Devenport Dockyard in 1987 He moved to Torpoint where the family settled In 1997 he became the Chairman of the re formed Torpoint branch of the Royal British Legion
