Causes Of Action:

Aviation Law Cause of Action Exclusivity in the Warsaw and Montreal Conventions Cluxton, David, 2022-02-15 This incisive book tackles a controversy that has plagued the Warsaw Convention 1929 and the Montreal Convention 1999 for decades whether the conventions provide an independent cause of action upon which a plaintiff can rely directly when pleading their action and if so whether that cause of action provides the exclusive remedy This book resolves this controversy by presenting a new conceptual framework for understanding aviation law cause of action in the conventions
