Celebrity Consorts:

Celebrity Consorts Michael Hallam, 2005-04 **The Celebrity Monarch** Olivia Gruber Florek, 2022-11-18 The *Celebrity Monarch* argues that portraits of Empress Elisabeth of Austria 1837-1898 shaped both modern female portraiture and celebrity. Close study of portraits of Elisabeth renowned as the most beautiful woman in Europe along with her private collection of celebrity photography reveals her agency in shaping her own representation and the significance of her construction for modern Viennese artists and the emerging phenomenon of celebrity.

Catherine the Great and the Culture of Celebrity in the Eighteenth Century Ruth Pritchard Dawson, 2022-04-21 This highly original study provides a detailed analysis of Catherine the Great's celebrity *avant la lettre* and how gender, power, and scandal made it commercially successful. In 1762 when Catherine II overthrew her husband to seize the throne of the Russian Empire her instant popular fame in regions of Europe far from her own domains fit the still new discourse of modern celebrity and soon helped shape it. Catherine the Great and Celebrity Culture in Eighteenth Century Europe shows that over the next 35 years Catherine was part of a standard troika of celebrity-making agents: intriguing central figure, large-scale media, and an engaged public. Ruth P. Dawson reveals how writers, print-makers, newspaper editors, playwrights, and more the 18th century's media workers laboured to produce marketable representations of the empress and audiences of non-elite readers, viewers, and listeners savoured the resulting commodities. This book presents long-neglected material evidence of the tsarina's fantasy-inducing fame, examines the 1762 coup as the indispensable story that first constructed her distant public image and explains how the themes of enlightenment, luxury, consumption, clashing gender roles, and exotic Russia continued to attract non-elite fans and anti-fans during the middle decades of her reign. For the later years the book considers the scrutiny inspired by the French Revolution and Catherine's skewering in unsparing misogynist cartoons as they applied to visual representations her achievements as ruler, the long-ago overthrow of her husband, and her gradually revealed list of lovers. Dawson reflects on Catherine II's demise in 1796 and how this instigated a final burst of

adoration loathing and ambivalence as new accounts of her life both real and fictional claimed to unwrap the final secrets of the first modern international female celebrity even now the only woman in history widely known as the Great **Don't Offend the Beloved Consort** Xin Yue,2020-01-16 Shui Yue and Charm Star who were wearing it were bought by the hateful old procuress for a price of ten thousand gold Shui Yue was sent to the King of Qi State Palace as a gift and although the idiot was a turtle slave he was also taken fancy to The person who bought her was the person she hated the most Master Lust Wolf King Two modern thunder women even though they were from ancient times were they willing to be manipulated *Movie Stars* Gareth Thomas,2005 This collection of stunning photographs from the archives of the Daily Mail along with the detailed commentary provide a wealth of information on the stars public and private faces It is an indispensable addition to the movie fan s collection The Life of His Royal Highness the Prince Consort, Etc.
