But once the kittens escape, they learn that country life comes with its own difficulties, just as they learn that help and friendship can be found in even the most unlikely places. Ursula K. Le Guin's classic series follows the winged feline siblings across four big adventures: finding a new home in the country, returning to the city to visit their mother, befriending a wonderful orange cat, and following the youngest sibling's foray into the world on her own. This edition features multicultural literature and young adult literature in every chapter, expanded coverage of biographies and informational books, and over 100 new children's titles referenced throughout. A children's literature CD-ROM accompanies the book and contains bibliographic information for thousands of titles, making it even easier to share quality literature with children and adolescents. *The Catwings Complete Paperback Collection (Boxed Set)* Ursula K.
