Who knew it was possible to enjoy reading about cheese as much as eating it? Remarkably entertaining, deeply insightful, and downright hilarious, *American Cheese* goes far beyond the plastic yellow slices we all know and some love, revealing a community as quirky, passionate, and creative as the cheese they put into the world. Jim Gaffigan, comedian, actor, and *New York Times* bestselling author of *Food: A Love Story*. Joe Berkowitz loves cheese. Or at least he thought he did. After stumbling upon an artisanal tasting at an upscale cheese shop one Valentine's Day, he realized he'd hardly even scratched the surface. These cheeses were like nothing he had

ever tasted a visceral drug punch that reverberated deliciousness and they were from America He felt like he was being let in a great cosmic secret and instantly he was in love This discovery inspired Joe to embark on the cheese adventure of a lifetime spending a year exploring the subculture around cheese from its trenches to its command centers He dove headfirst into the world of artisan cheese of premiere makers and mongers cave dwelling affineurs dairy scientists and restauranteurs The journey would take him around the world from the underground cheese caves in Paris to the mountains of Gruyere leaving no curd unturned all the while cultivating an appreciation for cheese and its place in society Joe s journey from amateur to aficionado eventually comes to mirror the rise of American cheese on the world stage As he embeds with Team USA at an international mongering competition and makes cheese in the experimental vats at the Dairy Research Center in Wisconsin one of the makers he meets along the way gears up to make America s biggest splash ever at the World Cheese Awards Through this odyssey of cheese an unexpected culture of passionate cheesemakers is revealed along with the extraordinary impact of one delicious dairy product
