## **Cbs Murders:**

*The CBS Murders* Richard Hammer, 2016-08-09 Winner of the Edgar Award The gripping account of a gruesome mass murder in gritty 1980s New York and the relentless hunt for a coldblooded killer On a warm spring evening in 1982 thirty seven year old accountant Margaret Barbera left work in New York City and walked to the West Side parking lot where she kept her BMW Finding the lock on the driver s side door jammed she went to the passenger s side and inserted her key A man leaned through the open window of a van parked in the next spot pressed a silenced pistol to the back of Margaret s head and fired She was dead before she hit the pavement It was a professional hit meticulously planned but the killer didn t expect three employees of the nearby CBS television studios to stumble onto the scene of the crime You didn t see nothin did you he demanded before shooting the first eyewitness in the head After chasing down and executing the other two men the murderer sped out of the parking lot with Margaret s lifeless body in the back of his van Thirty minutes later the first detectives arrived on the scene Veterans of Midtown North a sprawling precinct stretching from the exclusive shops of Fifth Avenue to the flophouses of Hell s Kitchen they thought they d seen it all But a bloodbath in the heart of Manhattan was a shocking new level of depravity and the investigation would unfold under intense media coverage Setting out on the trail of an assassin the NYPD uncovered one of the most diabolical criminal conspiracies in the city s history Richard Hammer s blow by blow account of the CBS Murders is a thrilling tale of greed violence and betrayal and a fascinating portrait of how a big city police department solved the toughest of cases

**Deadly Betrayal** Donald Scott Richards, 2003 President Walter Coopersmith selects Richard Thatcher a professional as his Deputy Director of the Federal Bureau of Investigation In private Coopersmith confides his dissatisfaction with Director James Stearne and his plan to replace him with Thatcher This puts Thatcher in a very uncomfortable position At Thatcher s confirmation hearing before the Senate Judiciary Committee Thatcher loses his temper and clashes with Senator Judy Gonzales By nightfall Gonzales is dead the first victim of a serial killer The President ignores the media s sensational linkage of Thatcher s committee appearance and Gonzales murder and pushes Thatcher s confirmation through the Senate Before the Bureau s investigators can identify the murderer he strikes again killing Senator Rashid Jones one of Gonzales closest collaborators in her futile campaign to force campaign finance reform on the Congress Thatcher chafing under the bureaucratic strictures that require him to delegate responsibility for the expanding investigation arranges to have Barbara Collins a long time friend and colleague to be assigned to the case Collins assignment provides members of the Club a loose clique of senior Bureau officers who resent Thatcher s elevation to command the opportunity to challenge him Barbara Collins and lead investigator Orson Dodrill concentrate their investigation on Gonzales s office The Governor of California selects Gonzales chief administrative assistant Charles Stevens to serve out Gonzales term Barbara identifies Stevens as the man with a motive the one who benefited most from Gonzales demise Stevens frustrates the Bureau investigators but not for long he soon falls as the killer s third victim The remaining

member of the Gonzales triad Senator Rae Campbell Holden who shares the campaign reform issue turns to the media Fearing for her own safety attributing nefarious political motives to the opposition she demands that the Washington establishment identify the killer of her friends before he decimates the entire United States Senate Thatcher inhibited by the restraints of his lofty position and encumbered by the burden of managing a large bureaucracy frets Director Stearne strangely aloof from the sensational investigation embarks on a lengthy overseas trip As acting Director Thatcher decides to delegate his administrative chores to the Club reviews the reports of his investigators then sets out on his own doing what he does best he mounts his own vest pocket investigation Thatcher decides that the killer is someone closely engaged in Senate business but not a staffer or senator With the President's help the President is after all the nation's foremost politician Thatcher concentrates on the special interests the lobbying corps that besieges the politicians with their money and favors Again the killer strikes This time the victim is a young staffer in Gonzales office Despite the killer's best efforts to deny the investigators evidence the clues accumulate The killer learning as he goes indulges his strange sense of humor At each crime scene he leaves behind an odd message Tiring of reacting to the killer Thatcher decides to go proactive He deliberately provokes the killer using a venue provided by Thatcher's girl friend Mavis Davis a network White House correspondent Using information provided by Thatcher Barbara Collins and the Bureau's investigative team narrow the list of suspects Finally a black entry to the killer's home provides circumstantial evidence a few strands of fabric that match those found at each murder scene Lacking sufficient legal evidence to arrest the suspect Thatcher takes a chance The case culminates in a showdown at the apartment of Senator Ca

### **Summary of Richard Hammer's *The CBS Murders*** Everest

Media,2022-05-21T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The police precinct of Midtown North is a microcosm of the public picture of New York It stretches from the Hudson River piers and the decrepit West Side Highway east to the soaring towers and exclusive shops that line Fifth Avenue 2 There is a barely concealed stench of desperation and fear beneath the wealth glitter and success of New York City For some their fears drive them away from the quiet hopelessness to desperate acts 3 The argument about who should lead the investigation into the murders was desultory and academic It was Stanley Shapiro's turn as he had not had a murder in six weeks 4 Donald Nash was a burly bullet headed man in his late 40s with a drooping blind right eye He had been hired to drive a van into the parking lot of the S S Rotterdam where he would wait for two hours before driving away *The CBS Murders* Richard Hammer,John Richard Wales,1987 Provides an account of the murder investigation that led to the discovery of a multimillion dollar swindle that rocked New York's diamond district **Murderers' Row** Robin Odell,Wilfred Gregg,2011-10-30 Criminologist Robin Odell has compiled this gruesome gallery of cases from all over the world revealing the growth in serial slayings contract killings and middle class murders and investigating what motivates people to commit the ultimate crime As well as gangsters and ordinary felons the book includes doctors millionaires housewives children lawyers accountants
