Shields, 2023-02-02 The Liahona isn't the only type or symbol in the scriptures In fact Moses tells us that all things testify of their Creator This means that there are symbols all around us that can teach us things of eternal value if only we can open our eyes and hearts to their messages We know that God's symbolism teaches messages that words simply can't But these symbols don't exist just so we can be impressed with an interesting bit of knowledge and move on unaffected by the insight Symbolism is meant to shape who we are not just what we know Gospel Symbols Finding the Creator in His Creations will Show you new levels of understanding in words and rituals you probably take for granted Provide you with life changing insights Supercharge your study of eternal principles Enhance your understanding of the ordinances and ceremonial practices of the biblical Church In a clear easy to understand approach this book combines ancient scriptures and modern insights to teach you and your family the precious truths found only in gospel symbols **The English Catalogue of Books: v.
