Candlestick and Pivot Point Trading Triggers, + Website John L. Person, 2020-10-06 Technical analysis for today's market with smarter setups for less risk. **Candlestick and Pivot Point Trading Triggers Website** makes Pivot Point analysis relevant for today's market with up-to-date data and new techniques that reflect the current trading environment. Tried and true tactics are modernized with new tools and approaches, and novel methodologies are introduced to help you make smarter trades while minimizing risk. Directional options strategies draw on analysis from Thinkorswim, TradeStation, and Genesis Software and are integrated with PPS Indicator and Persons Pivots. Quarterly pivots are introduced for long-term trading opportunities, and option strategists and leveraged and inverse leveraged ETFs are brought into the detailed discussion on trading vehicles. The author's own proprietary setups have been updated to align with the new trading realities, and the new chapter on volume analysis covers the techniques used in his book *Mastering the Stock Market*. Combined with the tools and resources featured on the companion website, this book gives you the tools and techniques you need to boost your portfolio's performance. Technical analysis offers more profit opportunities than ever before, but the tools of the trade have changed. This book brings you up to date with the latest, so you can start getting even more out of your trades. Utilize leveraged and inverse leveraged ETFs. Integrate directional options strategies. Apply new techniques for volume analysis. Implement quarterly pivots for longer-term opportunities. The 2006 publications of this book's first edition brought pivot point and candlestick charting into the limelight. The market has undergone massive changes in the past ten years, and many of the most effective techniques have been adjusted and integrated with new tools to become even more effective in today's market. This new second edition of **Candlestick and Pivot Point Trading Triggers Website** brings clarity to the current market and
