

BETWEEN EXTREMES

BRIAN KEENAN
JOHN MCCARTHY

Between Extremes

Yale University. Observatory

Between Extremes:

Between Extremes Brian Keenan, John McCarthy, 2011-02-28 In 1986 Brian Keenan and John McCarthy were forced to take a journey without maps For the next four years they were incarcerated in a Lebanese dungeon From the blank outlook of a tiny cell with only each other and a few volumes of an ancient American encyclopaedia to sustain them they could only wander the wide open spaces of their imagination To displace the ugly confines of their existence they envisaged walking in the High Andes and across the wastes of Patagonia Five years after their return Brian and John chose to travel together again to see how the reality of Chile matched their imagination and to revisit their past experiences They journeyed by every means available through vast empty deserts verdant plains and barren tundra *Between Extremes* is the story of that journey which once more found them far from home in an unfamiliar landscape but which for the first time allowed them to live by their own rules

Between Extremes Elsie Olson, 2025-08-01 How does political extremism erode democracy And what are people doing to stop it Throughout history North American nations have faced serious threats to their democracy including voter suppression and political extremism *Between Extremes* explores how these nations have navigated threats to their democratic foundations By investigating the origins and evolution of democracy it highlights the enduring principles of liberty equality and civic participation It reveals how activists and lawmakers tackle the growing threat of political extremism working to safeguard democracy for future generations Through a thoughtful exploration of the challenges and triumphs in preserving democratic ideals you will gain insight into what it takes to build protect and strengthen the systems that uphold freedom and public engagement

Between Extremes Jack Furniss, 2024-11-06 Between 1861 and 1865 northern voters fortified Abraham Lincoln s administration as it oversaw the end of the institution of slavery and an unprecedented expansion in the size and scope of the federal government Since the United States never considered suspending the democratic process during the Civil War these revolutionary developments indeed the entire war effort depended on ballots as much as bullets Why did civilians who at the start of the conflict had not anticipated or desired these transformations to their society nonetheless vote to uphold them Jack Furniss s *Between Extremes* proposes an answer to this question by revealing a potent strand of centrist politics that took hold across the Union and provided the conservative rationales that allowed most northerners to accept the war s radical outcomes
