## **Best Of Nineteeneighty:**

*Best New Poets of Nineteen Eighty-Seven* John Frost,1987-12      **The Cambridge Companion to Nineteen Eighty-Four** Nathan Waddell,2020-10 The Cambridge Companion to Nineteen Eighty Four is aimed at undergraduates postgraduates and academics Situating the novel in multiple frameworks including contextual considerations and literary histories the book asks new questions about the novel s significance in an age in which authoritarianism finds itself freshly empowered      **Sexual repression and its significance in Orwell's "Nineteen Eighty-Four" and Huxley's "Brave New World"** Felix B.,2014-10-20 Seminar paper from the year 2011 in the subject Didactics for the subject English Literature Works grade 2 3 Ernst Moritz Arndt University of Greifswald language English abstract We all live in a society where the fear of the surveillance state is definitely valid In a wide range of countries all over the world everyday life is monitored by cameras credit card transactions satellites or phone tapping to name but a few examples There are up to 4 2m CCTV cameras in Britain about one for every 14 people according to an BBC News article from 2006 It s safe to assume that this number increase steadily and is still higher up to the present day More recently the social network Facebook hit the headlines in view of the fact that an Austrian law student requested all information the company had on him He later received a parcel including 800 pages of personal information detailing Facebook events he had responded to places he had checked in IP addresses where he last used the site and other private details Most of the user data was actually deleted by the student but still available for the operators of the social network of Cyrus Farivar 30 09 2011 It s quite remarkable that these current issues of surveillance and data piracy are similarly picked up on dystopian novels at the beginning of the twentieth century George Orwell s Nineteen Eighty Four can be cited as one of the best examples and it sometimes seems that we are not far from Orwell s world The populace of his fictional society is monitored by a two way telescreen in every condition of life By doing this The Party has wide influence on its adherent s behaviour One of the most significant aspects is thereby the manipulation and repression of human sexuality and its importance for the strong government This is also true for the work of Aldous Huxley His dystopian novel Brave New World was published nearly two decades before the origin of Orwell s Nineteen Eighty Four Besides George Orwell he is another significant English writer of the so called dystopian fiction and with Brave New World he provided a good basis of comparison to Nineteen Eighty Four This term paper should examine differences and similarities between Huxley s and Orwell s visions of the future with focus on the aspect of sexual repression Besides the comparison this form of repression will be examined closely in view of its purpose for the existence of both fictional states Starting from the background different areas of life will be analysed in the main part before giving a comparison to our society today In conclusion a review on the topic will be given      **On Nineteen Eighty-Four** Abbott Gleason,Jack Goldsmith,Martha C. Nussbaum,2010-07-28 George Orwell s Nineteen Eighty Four is among the most widely read books in the world For more than 50 years it has been regarded as a morality tale for the possible future of modern

society a future involving nothing less than extinction of humanity itself Does Nineteen Eighty Four remain relevant in our new century The editors of this book assembled a distinguished group of philosophers literary specialists political commentators historians and lawyers and asked them to take a wide ranging and uninhibited look at that question The editors deliberately avoided Orwell scholars in an effort to call forth a fresh and diverse range of responses to the major work of one of the most durable literary figures among twentieth century English writers As Nineteen Eighty Four protagonist Winston Smith has admirers on the right in the center and on the left the contributors similarly represent a wide range of political literary and moral viewpoints The Cold War that has so often been linked to Orwell s novel ended with more of a whimper than a bang but most of the issues of concern to him remain alive in some form today censorship scientific surveillance power worship the autonomy of art the meaning of democracy relations between men and women and many others The contributors bring a variety of insightful and contemporary perspectives to bear on these questions

**Orwell's Dystopian World. "Nineteen Eighty-Four" and the Pragmatics of (Mis)Understanding** Mansour Khelifa, 2016-01-25 Research Paper undergraduate from the year 2015 in the subject English Language and Literature Studies Literature language English abstract Occupying a central position in the political inner debate of Winston Smith the main character in Orwell s novel Nineteen Eighty Four is the following statement promise threat We shall meet in the place where there is no darkness 25 This cryptic illocutionary speech act is initially heard by Winston in a dream then is distinctly associated with and equivocally reiterated later on in the novel by O'Brien who embodies at the same time the main character s ideological mentor intellectual tormentor and physical torturer As the story unfolds the initially promising trope the place where there is no darkness becomes more and more of a sibylline utterance representing a locus of mis understanding and a space of radical misreading The representation of this place is stripped of its dream like metaphorical significance and reveals a dark deictic and literal meaning The place where there is no darkness turns out the infamous Room 101 which is precisely the opposite of what it initially passes for that is a utopian space of enlightenment On the contrary Room 101 is a dystopian place in the novel where the light is deliberately never switched off as a torture inflicted upon political dissidents like Winston Smith Likewise the story line seems to operate a series of ironical degradations such as utopia becoming dystopia metaphor dwindling into synecdoche and euphemism signalling a glaring statement 25 charged with a sense of utter mis understanding foreboding and warning culminating in the irreversible destruction of the main character Winston s revolutionary dream of a better world turns into a horrible nightmare full of equivocation and despair The mutual mis understanding between Winston and O'Brien leads to complete brainwash and emasculation of the former Winston s political resistance to and hate of Big Brother s regime are annihilated his dream is shattered The story ends with Winston being ultimately defeated ironically depicted as follows he had won the victory over himself He loved Big Brother 297 whereas at the beginning of the narrative he has emphatically written in his secret diary in distinct capital letters DOWN

**Nineteen Eighty** Derek Elley,1978      American Women's Track and Field Louise Mead Tricard,1996-01-01 In 1985 the  
Vassar College Athletic Association ignored the constraints placed on women athletes of that era and held its first ever  
womens field day featuring competition in five track and field events Soon colleges across the country were offering women  
the opportunity to compete and in 1922 the United States selected 22 women to compete in the Womens World Games in  
Paris Upon their return female physical educators severely criticized their efforts decrying the evils of competition Wilma  
Rudolphs triumphant Olympics in 1960 sparked renewed support for womens track and field in the United States From 1922  
to 1960 thousands of women competed and won many gold medals with little encouragement or recognition This reference  
work provides a history based on many interviews and meticulous research in primary source documents of womens track  
and field from its beginnings on the lawns of Vassar College in 1895 through 1980 when Title IX began to create a truly level  
playing field for men and women The results of Amateur Athletic Union Womens Indoor and Outdoor Track and Field  
Championships since 1923 are given as well as full coverage of female Olympians      Films and Filming ,1985      **The**
