*The Heart of School Leadership* Mary Louise Stahl,2022-10-17 All school leaders are required to earn an educational leadership degree and certificate before they begin their work in a school The aspect they sometimes don t teach in these programs has to do with the heart of school leadership which can be the most important part Most school administrators begin the work of school leadership from an emotional place which is similar to why people want to be a teacher Sometimes you have an unforgettable teacher or principal who you want to emulate and sometimes you want to do things better do things differently It doesn t matter how you get there it matters that you begin with the heart and let it lead most of your work Of course all work cannot be accomplished from an emotional base but how we navigate our relationships with teachers students and parents has to start there This leadership book is organized into sections that focus on work

involving the heart work involving the head and work that spans both categories It s a love song to school leadership

Self-Taught, Outsider and Folk Art Betty-Carol Sellen,2016-02-10 Much has changed in the world of self taught art since the millennium Many of the recognized masters have died and new artists have emerged Many galleries have closed but few new ones have opened as artists and dealers increasingly sell through websites and social media The growth and popularity of auction houses have altered the relationship between artists and collectors In its third edition this book provides updated information on artists galleries museums auctions organizations and publications for both experienced and aspiring collectors of self taught outsider and folk art Gallery and museum entries are organized geographically and alphabetically by state and city
