International Council of Nurses Madrean Schober, Fadwa Affara, 2009-02-12. Advanced Nursing Practice addresses the key issues in practice, education, regulation, research, and role practice development, which are central to defining the distinctive nature of advanced nursing practice (ANP) and explores international developments in the field of ANP. Advanced Nursing Practice has been developed in recognition of the key role nurses with advanced knowledge and skills play in developing health care services worldwide. The book tracks the evolution of new advanced practice nursing roles and innovative practice models and examines the need for international guidelines. In exploring strategies for implementing ANP in the context of countries' health care needs, Advanced Nursing Practice addresses legal and ethical challenges and commonalities and differences in advanced nursing practice while examining the implications, obstacles, and facilitative strategies in maintaining, implementing, and supporting the development of ANP. This book provides guidance in decision making, examines the implications for liaising with other health care professionals, and encourages nurses to shape their role to the needs of their patients and practice.

*Health Policy and Advanced Practice Nursing* Kelly A. Goudreau, Mary C. Smolenski, 2026-01-15. Equips APRNs with tools to influence policy, lead change, and translate theory into impact across local, national, and global systems. Ideal for advanced practice nurses in all tracks, this edition integrates policy literacy with leadership development and ethical decision making. Supports effective decision making, policy advocacy, and collaborative leadership through case examples, concept summaries, and course-ready resources for faculty. What's New: Eight new chapters addressing a variety of topics: APRNs and the Political Process; Women's Health Initiatives and Reproduction; Substance Abuse and more. Updated content on global health, including post-pandemic policy responses and international regulatory shifts. Enhanced coverage of telehealth and licensure compacts reflecting recent legislative and practice trends. Stronger integration of leadership frameworks supporting APRNs in policy decision making and systems-level change. All chapters revised for clarity and currency, aligned with the latest U.S. health policy and nursing guidelines. Key Features: Covers U.S. and global policy, ethics, finance, telehealth, leadership, and advocacy with real-world cases and applied learning tools. Empowers nurses to lead change, influence policy decisions, and advocate effectively for patients, communities, and the nursing profession. Includes real-world case studies, synthesis questions, and reflection tools to support critical thinking and practical policy application. Written by nationally recognized nurse leaders blending academic expertise with real-world policy and advanced practice experience.
