Jael Miriam Silliman, Ynestra King

Dangerous Intersections Feminist Perspectives On Population Environment And Development:

Dangerous Intersections Jael Miriam Silliman, Ynestra King, 1999 This anthology offers a multicultural international look at the issues of environment development and population control Feminist scholars and activists reveal the racism behind the scapegoating of women the poor and immigrants as the source of major world problems and present realistic solutions that rely on the ingenuity and resourcefulness of women

Environmental Security and Gender Nicole Detraz, 2014-08-21 Over the past 20 years scholars policymakers and the media have increasingly recognized the links between both traditional and non traditional security issues and the changing condition of the global environment Concepts such as environmental security and resource conflict have been used to hint at these significant linkages While there has been a good deal of scholarly work conducted that seeks to identify the ways that actors link these concepts there has been little examination of the intersection between approaches to environmental security and gender This book explores this intersection to provide an insight into the gendered nature of both global environmental politics and security studies It examines how the issues of security and the environment are linked to theory and practice and the extent to which gender informs these discussions By adopting a feminist environmental security discourse this book provides crucial redefinitions of key concepts and offers new insights into the ways we understand security environment connections Case studies evaluate if and how environment and security discourses are being used to understand a range of environmental issues and how a feminist environmental security discourse contributes to our understanding of security environment connections This multidisciplinary volume draws on literature from the environmental sciences security studies and sociology to highlight the complex human insecurities that often accompany environmental change As conceptualizations of security continue to shift and broaden to include environmental issues and concerns it is imperative that gender informs the debate

Mainstreaming Gender in Environmental Assessment and Early Warning, 2005

Mainstreaming Gender in Environmental Assessment and Early Warning Joni Seager, *Gender and the Environment* Nicole Detraz, 2016-12-20 Climate change natural disasters and loss of biodiversity are all considered major environmental concerns for the international community both now and into the future Each are damaging to the earth but they also negatively impact human lives especially those of women Despite these important links to date very little consideration has been given to the role of gender in global environmental politics and policy making This timely and insightful book explains why gender matters to the environment In it Nicole Detraz examines contemporary debates around population consumption and security to show how gender can help us to better understand environmental issues and to develop policies to tackle them effectively and justly Our society often has different expectations of men and women and these expectations influence the realm of environmental politics Drawing on examples of various environmental concerns from countries around the world *Gender and the Environment* makes the case that it is only by adopting a more inclusive focus that embraces the complex ways men and women interact with ecosystems that we can move

towards enhanced sustainability and greater environmental justice on a global scale This much needed book is an invaluable guide for those interested in environmental politics and gender studies and sets the agenda for future scholarship and advocacy Environmental Change and Security Project Report ,1999 **Dangerous Intersections** Jael Miriam Silliman, Ynestra King, 1999 This collection of original critical essays by well known feminist scholars and activists presents a multicultural international scope on the major global issues of the day environment development and population control The authors pointed analyses reveal the racism behind environmental degradation and immigration control the paternalism underlying many population control efforts and the widespread scapegoating of women the poor and immigrants as the source of major world problems Dangerous Intersections presents realistic solutions that rely on the ingenuity and resourcefulness of local communities of women as the agents of global change Essays cover topics such as the use and mis use of reproductive technology the real impact of population growth on the environment the devastating effects of militarism and consumption and movements for sovereignty and social justice worldwide Dangerous Intersections will force readers to confront the intertwined effects of our attitudes toward population the environment and development This call for just equitable solutions to urgent problems will enlighten activists scholars and policy makers alike **Caring for Them from Birth to Death** Christina Perez, 2008-01-01 Through qualitative interviews and participant observation with Cuban primary care neighborhood doctors and nurses this book brings the reader into everyday life in Havana The first book to examine Cuba s health care system and the health of the Cuban population since the Special Period it explains how Cuba manages to improve its health indices year after year_ an extraordinary achievement considering the economic inequalities that exist in Cuba today *Global Prescriptions* Rosalind P. Petchesky, 2003-08 Global Prescriptions is a critical yet optimistic analysis of the role of transnational women s groups in setting the agendas for women s health in international and national settings The book reviews a decade of women s participation in UN conferences transnational networks national advocacy efforts and sexual and reproductive health provision assessing both their strengths and weaknesses It critiques the Cairo Beijing and Copenhagen conference documents and World Bank WHO and health sector reform policies It also offers case studies of national level reform and advocacy efforts and appraises the controversy concerning TRIPS trade and essential AIDS drugs That controversy Petchesky argues starkly illuminates the collision course of transnational corporate and global trade agendas with the struggle for gender racial and regional equity and the human right to health The author takes into account the formidable political and ideological forces confronting global justice movements and also offers a sobering reassessment of transnational women s NGOs themselves and such problems as NGOization fragmentation and donor dependency Petchesky argues that the power of women s transnational coalitions is only as great as their organic connection with grassroots social movements *Encyclopedia of Gender and Society* Jodi O'Brien, 2008-11-26 2009 RUSA Outstanding Reference CHOICE Outstanding Academic Title for 2009 Given both the interdisciplinarity of the field of gender scholarship

and the immense significance of gender to both individuals and societies it is probably impossible to produce such a compendium The editor advisory team and contributors are to be credited for tackling a project of such immense scope O'Brien's commitment to the possibility of a more informed discourse on the highly complex and nuanced topic of gender and society promises to benefit a broad readership Highly recommended for academic libraries of all sizes and for large public libraries Booklist STARRED Review All topics in this wide ranging resource are addressed in an unbiased and unprejudiced manner and facts are stated clearly and coherently The coverage of changing topics is kept current A valuable addition to any library Library Journal For decades scholars of gender have been documenting and analyzing the various ways in which gender shapes individual lives cultural beliefs and practices and social and economic organization Including contributions by experts in the field the Encyclopedia of Gender and Society covers the major theories research people and issues in contemporary gender studies This comprehensive two volume encyclopedia is distinguished by a cross national cross cultural perspective that provides comparative analyses of the life experiences of men and women around the world Key Features Provides users with a gender lens on society by focusing on significant gender scholarship within commonly recognized areas of social research Offers framing essays that summarize commonly used concepts and directions of research and provide an overview of each area e.g Media and Gender Socialization Religion Gender Roles in Sexuality and Reproduction Women's Social Movements History of Examines basic aspects of social life from the most individual self and identity to the most global transnational economics and politics Contains new information on well known subjects including surprising facts that may counter common assumptions and research in areas of study where the impact of gender has been traditionally overlooked Reflects cutting edge discussion and scholarship on current issues and debates regarding gender and society

The Politics of Blame Jessica LeAnn Urban,2004 Current Law Index ,2001 **Feminist Theory** Wendy K. Kolmar,Frances Bartkowski,2005 This comprehensive reader represents the history intellectual breadth and diversity of feminist theory An historical framework organizes a great wealth of selections 103 in all with an entirely new concluding Part VII that covers 1995 2002 Working Paper Jessica LeAnn Urban,2001 *Feminist Frontiers* Verta Taylor,Leila Rupp,Nancy Whittier,2009 The most widely used anthology of feminist writings and the first to incorporate issues of sexual identity and sexual diversity Feminist Frontiers has stood the test of time With both classic and contemporary readings on cutting edge topics that cut across disciplinary and generational lines this text presents the full diversity of women's lives exploring commonalities as well as interconnected differences Feminist Frontiers offers analyses of the causes and consequences of gender inequality in interaction with class race ethnicity sexuality ability and nationality This anthology also introduces students to feminist theory and methodology This edition maintains consistent coverage of diverse ethnicities and a global perspective with greater attention to transgender issues and disability **NWSA Journal** ,2005 **World Order** ,2002 **Dangerous Intersections** Jael Silliman,Ynestra King,1999 This work provides a multicultural and international

perspective on three major global problems environmental degradation economic development and the population explosion
It presents alternative voices and approaches to the policies supported by the mainstream and NGOs alike that focus on the
fertility of poor black women in both North and South as the primary threat to the ecological viability of the planet A feminist
response to the impact of neo Malthusian ideas on women in both North and South the book provides interdisciplinary
perspectives for women s studies development and environment **N. Paradoxa** ,2001 International feminist art journal
Reproductive and Sexual Rights Rosalind P. Petchesky,United Nations Research Institute for Social Development,2000

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Dangerous Intersections Feminist Perspectives On Population Environment And Development eBooks, including some popular titles.

FAQs About Dangerous Intersections Feminist Perspectives On Population Environment And Development Books

What is a Dangerous Intersections Feminist Perspectives On Population Environment And Development PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Dangerous Intersections Feminist Perspectives On Population Environment And Development PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Dangerous Intersections Feminist Perspectives On Population Environment And Development PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Dangerous Intersections Feminist Perspectives On Population Environment And Development PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Dangerous Intersections Feminist Perspectives On Population Environment And Development PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
