that Benedict had collected throughout her life Since Benedict wrote little Mead has fleshed out the narratives by adding background information on Benedict s life work and the cultural atmosphere of the time Ruth Benedict formed her own view of the contribution of anthropology before the first steps were taken in the study of how individual human beings with their given potentialities came to embody their culture In her later work she came to accept and sometimes to use the work in culture and personality that depended as much upon social psychology as upon cultural anthropology She came to recognize that society made up of persons or organized in groups was as important as a subject of study as the culture of a society This volume greatly enhanced by Mead s contributions is a record of what was important to Benedict in her life and work It is expertly ordered and assembled in a way that will be accessible to students and professionals alike

Indigenous Aesthetics Steven Leuthold,1998 What happens when a Native or indigenous person turns a video camera on his or her own culture Are the resulting images different from what a Westernized filmmaker would create and if so in what ways How does the use of a non Native art making medium specifically video or film affect the aesthetics of the Native culture These are some of the questions that underlie this rich study of Native American aesthetics art media and identity Steven Leuthold opens with a theoretically informed discussion of the core concepts of aesthetics and indigenous culture and then turns to detailed examination of the work of American Indian documentary filmmakers including George Burdeau and Victor Masayesva Jr He shows how Native filmmaking incorporates traditional concepts such as the connection to place to the sacred and to the cycles of nature While these concepts now find expression through Westernized media they also maintain continuity with earlier aesthetic productions In this way Native filmmaking serves to create and preserve a sense of identity for indigenous people
