Learning To Dance On My Daddy's Shoes Dianne Wasson, 2019-10-22 This book was born from the sweet memories that I had of learning to dance on my own daddy s shoes My mom used to tell about what a good dancer my dad was and how she loved to dance with him I wanted dance with him too because I was a daddy s girl through and through I hope all little girls can learn to dance on their daddy s shoes like the little girl in this story Learning to dance and following our daddy s lead also serves as a metaphor for our relationship with our Heavenly Father If we come to Him like a little girl comes to her daddy with hearts wide open He will teach us to dance the dances that He has chosen for each of our lives Then we can take His hands follow His lead and learn to dance by His grace I believe that girls of all ages can enjoy that special relationship with their Heavenly Father if they will accept Him as their own And I pray that every girl no matter her age can see herself dancing on her daddy s shoes
