

# Dancing Shoes

**Mats Melin, Jennifer Schoonover**

## **Dancing Shoes:**

Felicity's Dancing Shoes Valerie Tripp,2000 In colonial Williamsburg nine year old Felicity s dancing skills improve when she changes from wearing clumsy shoes to dainty slippers but ultimately she learns that Gracefulness is in the foot not the shoe Includes information on the education of girls in colonial America focusing on dance and presents square dance instructions

The Sexual Politics of Ballroom Dancing Vicki Harman,2018-10-10 This book presents an engaging sociological investigation into how gender is negotiated and performed in ballroom and Latin dancing that draws on extensive ethnographic research as well as the author s own experience as a dancer It explores the key factors underpinning the popularity of this leisure activity and highlights what this reveals more broadly about the nature of gender roles at the current time The author begins with an overview of its rich social history and shifting class status establishing the context within which contemporary masculinities and femininities in this community are explored Real and imagined gendered traditions are examined across a range of dancer experiences that follows the trajectory of a typical learner from finding a partner attending lessons and forming networks through to taking part in competitions The analysis of these narratives creates a nuanced picture of a dance culture that is empowering yet also highly consumerist and image conscious a highly ritualised set of practices that both reinstate and transgress gender roles This innovative contribution to the feminist leisure literature will appeal to students and scholars of anthropology dance sport gender cultural and media studies **St.**
