Dancing With Ben Hall:

Dancing with Ben Hall Jackie French,1997 A collection of short stories both historical and contemporary based on real people and real events

The Goat Who Sailed The World Jackie French,2010-04-01 Captain Cook s goat is the first of many historical animals to bring the past to life the HM Bark Endeavour is sailing to tahiti to map the transit of Venus but there are rumours that once the task is completed Lieutenant James Cook has a set of secret orders orders that command him to search for the Great South Land Isaac is twelve and has joined the crew of the Endeavour as a master s servant good for scrubbing decks and not much else He s certainly not considered good enough to fetch hay for the Goat who will provide fresh milk for Cook and his officers And this goat even has more experience at sea than Isaac she has already sailed around the world once watching the ocean and lands slip by from her spot on the quarterdeck Over the months on board the Endeavour a friendship grows between the Goat and Isaac one that will last through shipwreck bushfire and illness A friendship that helps in the discovery of exotic new lands Ages 9 13

Blood Moon Jackie French,2010-10-01 the body lay at the bottom of the stairs He wore red and green pyjamas It took me a second to realise the red was blood An old man his eyes were still open For one dreadful moment I thought he was still alive But no one can live with a hole where their throat should be Danielle Forest Virtual Engineer was looking forward to spending some quiet time with her lover in their stone house in the Outlands But someone or some thing keeps murdering members of nearby Utopias A family of werewolves is under suspicion and Danielle s friend Ophelia asks her to prove their innocence Before she can say silver bullet Danielle is a temporary resident of the tree home to the apparently friendly werewolves and fully occupied trying to deal with another bloody murder the angry local community and some amorous water sprites not to mention her bone loving hosts Are the werewolves the killers Danielle seeks Or are humans more vicious by far this thrilling sequel to In the Blood is the second book in the Outlands trilogy Ages 16
