John Merrill, Martha Fleming

Dancing With Samuel:

Dancing with Samuel John Slade, 1998 **Adversaries of Dance** Ann Louise Wagner, 1997 Whether in the private parlor public hall commercial dance palace or sleazy dive dance has long been opposed by those who viewed it as immoral more precisely as being a danger to the purity of those who practiced it particularly women In *Adversaries of Dance* Ann Wagner presents a major study of opposition to dance over a period of four centuries in what is now the United States Wagner bases her work on the thesis that the tradition of opposition to dance derived from white male Protestant clergy and evangelists who argued from a narrow and selective interpretation of biblical passages and that the opposition thrived when denominational dogma held greater power over people's lives and when women's social roles were strictly limited Central to Wagner's work which will be welcomed by scholars of both religion and dance are issues of gender race and socioeconomic status

Play-making and Plays John Merrill, Martha Fleming, 1930 *Sojourner Truth's America* Margaret Washington, 2011-04-21 This fascinating biography tells the story of nineteenth century America through the life of one of its most charismatic and influential characters Sojourner Truth In an in depth account of this amazing activist Margaret Washington unravels Sojourner Truth's world within the broader panorama of African American slavery and the nation's most significant reform era Born into bondage among the Hudson Valley Dutch in Ulster County New York Isabella was sold several times married and bore five children before fleeing in 1826 with her infant daughter one year before New York slavery was abolished In 1829 she moved to New York City where she worked as a domestic preached joined a religious commune and then in 1843 had an epiphany Changing her name to Sojourner Truth she began traveling the country as a champion of the downtrodden and a spokeswoman for equality by promoting Christianity abolitionism and women's rights Gifted in verbal eloquence wit and biblical knowledge Sojourner Truth possessed an earthy imaginative homespun personality that won her many friends and admirers and made her one of the most popular and quoted reformers of her times Washington's biography of this remarkable figure considers many facets of Sojourner Truth's life to explain how she became one of the greatest activists in American history including her African and Dutch religious heritage her experiences of slavery within contexts of labor domesticity and patriarchy and her profoundly personal sense of justice and intuitive integrity Organized chronologically into three distinct eras of Truth's life *Sojourner Truth's America* examines the complex dynamics of her times beginning with the transnational contours of her spirituality and early life as Isabella and her embroilments in legal controversy Truth's awakening during nineteenth century America's progressive surge then propelled her ascendancy as a rousing preacher and political orator despite her inability to read and write Throughout the book Washington explores Truth's passionate commitment to family and community including her vision for a beloved community that extended beyond race gender and socioeconomic condition and embraced a common humanity For Sojourner Truth the significant model for such communalism was a primitive prophetic Christianity Illustrated with dozens of images of Truth and her contemporaries

Sojourner Truth's America draws a delicate and compelling balance between Sojourner Truth's personal motivations and the influences of her historical context. Washington provides important insights into the turbulent cultural and political climate of the age while also separating the many myths from the facts concerning this legendary American figure. *The Virgin Who Bewitched Lord Lymington* Anna Bradley, 2021-11-02 In the heart of Mayfair lies the Clifford Charity School for Wayward Girls where a secret society of extraordinary young women conspire to bring England's wickedest aristocrats to justice. In London's brothels and bawdy houses sin and scandal run rampant. Yet as Emma Downing knows far worse perils often lurk within the lavish homes of high society. Emma has been tasked with uncovering secrets at the Lymington family's country estate the scene of a rash of mysterious disappearances. Samuel Fitzroy Marquess of Lymington is no easy mark and Emma fears he may see through both her disguise and her feigned indifference to his seductive charm. Recently returned to England after a long absence Samuel finds his family in chaos amid disquieting rumors floating about town. His young cousin has become a worthless rake several housemaids have gone missing and then there is Emma who is clearly not the naive debutante she pretends to be. Yet irresistibly attracted despite his mistrust he joins her in a daring game of cat and mouse. For Emma will unearth the truth even if it brings ruin to Samuel's family but the threat is as inescapable as their mutual desire. Praise for Anna Bradley and *The Virgin Who Ruined Lord Gray* A sparkling Georgian romance Bradley expertly balances excitement humor and heat to create a rollicking romance headlined by a pair of irresistible protagonists. Readers will be eager to see what comes next. Publishers Weekly STARRED REVIEW **Once Again** Janet Wray Gorman, 2001-08-27 The Wandering Vine trilogy is based on three aspects of a spiritual journey through life. Even My Family book one is about finding your own path and following it. Cries of Freedom book two is about surrounding yourself with unconditional love. Once Again book three is about releasing negative karma. In *Once Again* book III the heroine Elizabeth Randolph continues on her path a path that contains fear and heartbreak as well as joy. She must release the urge to blindly follow her emotions if the joys of life are to continue to open up for her. She must not struggle. She must allow peace into her soul but will she? Her anxiety is fueled by her nightmares. Or are they memories from a life long ago? Ruben Stone's continued presence after what Elizabeth believes he has done keeps her from letting the joys of her life to unfold. Is it her mind or her memory that makes her hate him so? Will she let him destroy her? Rebecca Wickford now a young woman must face her lineage or hide it forever. Will she continue to live as the Boston Brahmin her friends and neighbors believe her to be? Or will she acknowledge her lineage possibly leaving her in the abyss between the white and black communities never accepted by either one? George Parkman always deferred to John Appleton Elizabeth's husband in the past. Will he continue to acquiesce his future to others? Or will he step up and finally make his feelings known? Will this family created by Elizabeth let their hearts determine their paths? Or will their joys be strangled by the past?
