₹1 Lakh in 7 Days Challenge: A No-BS System to Make Money Fast Gaurav Modi, Making money doesn't require luck. It requires speed, clarity, and the right strategy. Most people fail because they follow slow methods: content creation, passive income, or long-term plans. But what if you had only 7 days? This book is built for exactly that. This is NOT a get-rich-quick scam. It's a high-speed execution system designed to help you generate real cash using skills you already have. Inside this guide, you'll learn how to shift from overthinking to fast action and high-value deals. What you'll learn inside: How to break 1,00,000 into daily achievable targets. The High Ticket, Low Volume strategy: earn more with fewer clients. How to sell services instead of wasting time on low-profit products. The fastest way to get paid using freelancing and direct selling. How to find urgent clients ready to pay immediately. The exact outreach system to close deals fast. How to structure your day for maximum income. 7-day execution plan. Scaling strategies to increase income quickly. This system focuses on one thing: Speed. Execution. Money. As explained in the early chapters, success depends on high-value transactions and immediate action, not waiting for results. Important: This book is not for people looking for shortcuts. It's for people ready to take action, face rejection, and work intensely for 7 days. If you follow this system properly, you won't just earn money; you'll learn how to generate income on demand.

Work in the Digital Media and Entertainment Industries Tanner Mirrlees, 2024-11-06. This book is a first of its kind: a critical interdisciplinary introduction to the economic, political, cultural, and technological dimensions of work in the rapidly growing digital media and entertainment industries (DMEI). Tanner Mirrlees presents a comprehensive guide to understanding the key contexts, theories, methods, debates, and struggles surrounding work in the DMEI. Packed with current examples and accessible research findings, the book highlights the changing conditions and experiences of work in the DMEI. It surveys the DMEI's key sectors and occupations and considers the complex intersections between labor and social power, relations of class, gender, and race, as well as tensions between creativity and commerce, freedom and control, meritocracy and hierarchy, and precarity and equity, diversity and inclusivity. Chapters also explore how work in the DMEI is being reshaped by capitalism and corporations, government and policies, management, globalization, platforms, AI, and worker collectives such as unions and cooperatives. This book is a critical introduction to this growing area of research, teaching, learning, life, labor, and organizing with an eye to understanding work in the DMEI and changing it for the better. Offering a broad overview of the field, this textbook is an indispensable resource for instructors, undergraduates, postgraduates, and scholars.

Practical Guide Through FREELANCING Igor Katusic, 2020-09-10 The first ever all in one comprehensive and BS free guide to a profitable freelancing career based entirely on experience case studies and examples from practice You will learn a professional methodology of acquiring profitable freelance contracts on the world's largest platforms and through a direct cold pitch We will go through the successful registration process on Upwork step by step to pass the Upwork's rigorous vetting process using a real case study of a young man from Southeast Europe whose original application was rejected only a week earlier We are following him to his very first job on the platform and the first top rating

You'll see the entire process and confirm with your own eyes that the cover letter template provided in this guide lands a contract within days following the successful registration on the world's biggest freelancing platform even in its raw form. You will see how top-rated veteran freelancers are choosing jobs and how they are writing professional cover letters, proposals that win contracts in 75% of the cases consistently over the past 5 years. We are using screenshots of the real-life examples and active practices exclusively. You will gain all the necessary knowledge to organize your work from home business routine. In the end, you will be making as much money as you wish from the comfort of your home without a boss. There's also a list of useful links necessary to start your future freelancing career. Cool, innit? As freelancers, we work whenever we want and how much we want; we take breaks and vacations whenever we feel like it and make as much money as we want. All from the comfort of our homes. That's the reality of the modern professional freelancing. It's the world in which YOU have the first and last word. If you have the thing and passion for writing blogs, academic works, books, and tutorials, graphic and web design, frontend/backend web development, illustrations, sales, and marketing, web and mobile software development, or if you want to make money as a virtual assistant for the world's renowned brands, freelancing is the career for you. If you can't get a job or perhaps you are working but you wanna cry every time you see the paycheck and on top of that the debt is breaking through the roof due to the unpaid student loan, utility bills, and rent, freelancing is the best solution. You will even see how to open a single international bank account from your chair to charge your clients in USD, EUR, GBP, AUD, or YEN without incurring those excessive bloodsucking fees. If your master's degree is in the pocket but you can't see a profitable and appealing job opportunity, with Upwork, freelancing is definitely a far better solution than agreeing to something crappy, insulting, and probably miserable. Get up when you want, start working when it clicks, take a break when you feel like it, and work from any place on this planet you prefer while earning as much as you want.
