[History of Greenbrier County](#) Joseph R. Cole,1917 [Greenbrier Pioneers and Their Homes](#) Ruth Woods Dayton,2009-06

This new publication provides a list of the major genealogy and local history collections throughout the state of New Hampshire The arrangement is by county and immediately thereunder by municipality For each of New Hampshire s ten counties the compiler gives the addresses and phone numbers of the Registrar of Deeds and Registrar of Probate In the majority of cases the information listed under the towns and cities consists of the community s date of foundation mailing address and phone number of the city or town clerk prior names for that community and a succinct listing of the city town s principal genealogy repositories **History of Greenbrier County** J. R. Cole,2017-11-24 Excerpt from History of Greenbrier County Illustrated Introductory Remarks The Greenbrier River Greenbrier County Roster of State Officers Roster of County Officers Railroads About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **History of Greenbrier County, West Virginia** Southern Historical Press, Incorporated,2025-09-25 By J R Cole Pub 1917 reprinted 2025 530 pages Index soft cover ISBN 978 1 63914 675 8 Greenbrier County was formed in 1778 from Botetourt and Montgomery counties Virginia This bulk of this book 440 pages is devoted to biographical sketches family histories of 171 early settlers The index 40 pages mentions approximately 4 000 individuals *HISTORY OF GREENBRIER COUNTY* J. R. COLE,2018 [Greenbrier County, West Virginia History and Biographies](#) ,1883 *History of Greenbrier County* J. R. Cole,1997-07-01 **A History of the Greenbrier County Library & Museums** , *The Greenbrier County Library and Museum* Harry L. Van Sickler,1942 **Historical Booklet** Greenbrier County (W. Va.). Historical Souvenir Program Committee,1938 [Handbook of the Linguistic Atlas of the Middle and South Atlantic States](#) William A. Kretzschmar,William A. Kretzschmar Jr.,1993-09-15 Who uses skeeter hawk snake doctor and dragonfly to refer to the same insect Who says gum band instead of rubber band The answers can be found in the Linguistic Atlas of the Middle and South Atlantic States LAMSAS the largest single survey of regional and social differences in spoken American English It covers the region from New York state to northern Florida and from the coastline to the borders of Ohio and Kentucky Through interviews with nearly twelve hundred people conducted during the 1930s and 1940s the LAMSAS mapped regional variations in vocabulary grammar and pronunciation at a time when population movements were more limited than they are today thus providing a unique look at the correspondence of

language and settlement patterns This handbook is an essential guide to the LAMSAS project laying out its history and describing its scope and methodology In addition the handbook reveals biographical information about the informants and social histories of the communities in which they lived including primary settlement areas of the original colonies Dialectologists will rely on it for understanding the LAMSAS and historians will find it valuable for its original historical research Since much of the LAMSAS questionnaire concerns rural terms the data collected from the interviews can pinpoint such language differences as those between areas of plantation and small farm agriculture For example LAMSAS reveals that two waves of settlement through the Appalachians created two distinct speech types Settlers coming into Georgia and other parts of the Upper South through the Shenandoah Valley and on to the western side of the mountain range had a Pennsylvania influenced dialect and were typically small farmers Those who settled the Deep South in the rich lowlands and plateaus tended to be plantation farmers from Virginia and the Carolinas who retained the vocabulary and speech patterns of coastal areas With these revealing findings the LAMSAS represents a benchmark study of the English language and this handbook is an indispensable guide to its riches

The Archaeology of the American Revolution Richard F. Veit, Matthew A. Kalos, 2025-11-04 New interpretations of the Revolutionary War era in a wide ranging collection of cutting edge archaeology and interdisciplinary insights Although the American Revolutionary War has been extensively studied by archaeologists this volume is the first to take a holistic approach to this storied conflict incorporating perspectives of the field and related disciplines The Archaeology of the American Revolution draws on the expertise of a variety of scholars who move beyond the traditional focus on military camps battlefields and famous leaders to provide fresh insights into the war s broader impacts This volume connects historical narratives with material culture explores how cutting edge archaeological methods like LiDAR and drone technology have illuminated previously undiscovered sites and examines how material remnants and memorials shape the ways the war is remembered The diversity of approaches in these chapters including archaeology public history and forensic anthropology offers brand new perspectives on often studied events Topics range from the earliest days of the war in New England to the fighting in the mid Atlantic and finally the partisan conflicts in the southern campaign The research gathered in this volume is essential for understanding the multifaceted nature of the American Revolution and the many ways this era can be studied In bringing together interdisciplinary contributions this collection enhances questions and even contradicts accepted beliefs about the Revolution offering valuable new interpretations of this critical period in American history
