## **A Human Life:**

The Human Life George O'Neil, Gisela O'Neil, Florin Lowndes, 2012      **The Hindu Religious Tradition** Pratima Bowes, 2021-06-23 Originally published in 1977 The Hindu Religious Tradition provides a detailed exploration into the different doctrines regarding the nature of Religious Reality and the many paths of search for this Reality within the Hindu religion The book discusses these differing doctrines from the point of view of their philosophical significance and their use in man's search for the divine in consideration of the traditional teaching that the divine is already in man and can be realised in direct experience It provides a comprehensive account of this tradition through considering all aspects that are integral to it and highlights that the profundity of this tradition lies in that it cannot be limited to the requirements of any one form of conceiving the divine The Hindu Religious Tradition will appeal to those with an interest in Hinduism religious philosophy and theology      **RECOVERY OF INDIA**, 2024-08-02 RECOVERY OF INDIA presents a holistic view of the country's unmatched tradition its growth through centuries of chequered history vis vis its present struggle to rediscover its incomparably rich legacy in a world of cut throat competition and mind boggling speed of rat race that seems to run from nowhere to nowhere In the giddy tumble caused by IT Era gargantuan gadgetry and the confusion generated by disordered aimlessness nobody has the time or inclination to reflect on the whys and wherefores of a world gone topsy turvy In this scenario of clouded wits and maverick ambition churned by illimitable lust for Mammonism advanced nations are turning towards India in the fond hope of finding spiritual solace and the right direction for moving towards a higher order of civilization The author intends to help non Indians adopt what is healthy while urging his compatriots to restore India's primeval psycho spiritual health to its pristine glory      **District of Columbia Appropriations for 1994: Testimony of members of Congress, citizens and organizations of the District of Columbia** United States. Congress. House. Committee on Appropriations. Subcommittee on District of Columbia Appropriations, 1993      Debating Health Care Ethics, Second Edition Patrick Findler, Doran Smolkin, Warren Bourgeois, 2019-05-28 In this updated second edition Debating Health Care Ethics explores contemporary moral challenges in health care providing students with the essential tools to understand and critically evaluate the leading arguments in the field and to develop their own arguments on important moral problems in health care Written in a clear and concise way the textbook's first three chapters explore the nature of arguments and ethical theories while the remaining chapters introduce students to moral problems in health care through case studies and dramas that feature complex scenarios involving patients family members and health care providers Each case study and drama is followed by a lively debate where the authors defend their unique approaches to the dilemma This new edition now includes more gender inclusive dramas an expanded discussion of feminist ethics a case study on euthanasia that highlights changes to Canadian law and an update on fetal consciousness that informs the debate on abortion Emphasizing critical issues in health care from a Canadian perspective this essential textbook will benefit students in philosophy nursing and health studies

*Martin Luther King, Jr., and the Theology of Resistance* Rufus Burrow, Jr.,2014-12-08 It has been nearly fifty years since Martin Luther King Jr was assassinated at the Lorraine Motel in Memphis Tennessee Appraisals of King s contributions began almost immediately and continue to this day The author explores a great many of King s chief ideas and socio ethical practices his concept of a moral universe his doctrine of human dignity his belief that not all suffering is redemptive his brand of personalism his contribution to the development of social ethics the inclusion of young people in the movement sexism as a contradiction to his personalism the problem of black on black violence and others The book reveals both the strengths and the limitations in King s theological socio ethical project and shows him to have relentlessly applied personalist ideas to organized nonviolent resistance campaigns in order to change the world Instructors considering this book for use in a course may request an examination copy here
