ago I got a letter from a little English boy I like that book he said and I wish you would write one just the same only about France because we can't find anything nice about France Since then I have received many such letters both from British boys and girls and from their cousins in America I promised them all that some day they should have the book they asked for They were not very pleased with that promise I think About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *A History of France* H.
