## A Janitors Of Poems:

*A Janitor's Book of Poems* Colin Zarhett, 2001-10      **The Janitor's Boy** Nathalia Crane, 1924 A collection of poems written by the author at the age of ten      *The Janitor's Boy (Illustrated)* Nathalia Crane, 2020-06-02 In December 1922 a Brooklyn newspaper received a few well written poems in the mail Intrigued they discovered that they were written by a ten year old girl named Nathalia Crane Her poems were imaginative written in a child s perspective about her close friend the janitor s son with the bright red hair There are a few dozen poems all about their adventures playing in the nearby vacant lot or up on the roof They play all sorts of fun games like pirates or building forts It is a beautiful poetry collection      **The Janitor's Boy, and Other Poems (Classic Reprint)** Nathalia Crane, 2018-10-12 Excerpt from *The Janitor s Boy and Other Poems* Some long time ago in Scotland there was a little girl named Marjorie Fleming and to day a twelve year old Helen Douglas Adam the daughter of a Scotch parson and his wife of Dundee is her successor overseas to the juvenile purple Miss Adam has now been published both in England and America Yet the best poems of hers that I have read do not seem to me to possess such individuality or such maturity of melody and diction as Miss Crane s best poems Then there is our own Hilda Conkling whose mother IS a distinguished American poet and who writes in free verse and has published several volumes of poems Hilda is a real poet But she has never grappled with and conquered certain problems of poetic structure from which Miss Crane by sheer instinct seems to have wrested occasional victory About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **The New Janitor's Nose and Other Poems** Dale Alan Bailes, 1973      *Being a Janitor* Danny Barbare, 2012-07-07 Danny P Barbare writes about his daily activity of being a janitor But it is not merely about the task at hand it includes advice and hints about life as a whole unique to the poet s point of view as like Emily Dickinson said tell it slant      *The Janitor's Boy* Nathalia Crane, 1924 A collection of poems written by the author at the age of ten      *History, Memory, and the Literary Left* John Lowney, 2006-10 In this nuanced revisionist history of modern American poetry John Lowney investigates the Depression era s impact on late modernist American poetry from the socioeconomic crisis of the 1930s through the emergence of the new social movements of the 1960s Informed by an ongoing scholarly reconsideration of 1930s American culture and concentrating on Left writers whose historical consciousness was profoundly shaped by the Depression World War II and the Cold War Lowney articulates the Left s challenges to national collective memory and redefines the importance of late modernism in American literary history The late modernist writers Lowney studies most closely Muriel Rukeyser Elizabeth

Bishop Langston Hughes Gwendolyn Brooks Thomas McGrath and George Oppen are not all customarily associated with the 1930s nor are they commonly seen as literary peers By examining these late modernist writers comparatively Lowney foregrounds differences of gender and sexuality race and ethnicity and social class and region while emphasizing how each writer developed poetic forms that responded to the cultural politics and socioaesthetic debates of the 1930s In so doing he calls into question the boundaries that have limited the scholarly dialogue about modern poetry No other study of American poetry has considered the particular gathering of careers that Lowney considers As poets whose collective historical consciousness was profoundly shaped by the turmoil of the Depression and war years and the Cold War s repression or rewriting of history their diverse talents represent a distinct generational impact on U S and international literary history

*The Janitor's Boy and Other Poems* Nathalia Crane,1924 A collection of poems written by the author at the age of ten

Clark (Two Shoes),2019-08-06 This eagerly anticipated follow up to the breakout memoir *How to Be an Indian in the 21st Century* delves more deeply into the themes of family community grief and the struggle to make a place in the world when your very identity is considered suspect In *Rebel Poet* More Stories from a 21st Century Indian author Louis Clark examines the effects of his mother s alcoholism and his young sister s death offers an intimate recounting of the backlash he faced as an Indian on the job and celebrates the hard fought sense of home he and his wife have created *Rebel Poet* continues the author s tradition of seamlessly mixing poetry and prose and is at turns darker and more nuanced than its predecessor
