Your Own Song to Sing (Volume 2) Saverio,2011-04-01 Writing has taken over my life in a good way My thoughts continually are geared towards my next song Sometimes I get a few lines in my head when I am driving and I have to pull over the car and write them down No matter where I am I get the urge to write I could be talking to a neighbor or be in the middle of mass at church and a word or phrase will pop into my head and whoa a new song is born More than anything I love love love the peace of mind songwriting allows me to have Most of my lyrics take me 15 to 30 minutes to write There was a time when I was writing 6 8 lyrics in a day Sometimes I would sit there and stare at my pencil asking why did you stop I swear at times the pencil kept moving like I wasn't even thinking of what to write This is my first edition I hope to continue with future editions as I am still writing new songs everyday Someday I hope to put my lyrics to my own music and I recently started taking piano lessons Hey we all know life is a learning process a learning curve we need to experience the turns with the ride I wish you all success with this book and look forward to seeing some of you with me when it comes to award times

Mysteries of Small Houses Alice Notley, 1998-06-01 A Pulitzer Prize Finalist Winner of the Los Angeles Time Book Prize Alice Notley vividly reconstructs the mysteries longings and emotions of her past in this brilliant collection of poems that charts her growth from young girl to young woman to accomplished artist In this volume memories of her childhood in the California desert spring to life through evocative renderings of the American landscape circa 1950 Likewise her coming of age as a poet in the turbulent sixties is evoked through the era s angry creative energy As she looks backward with the perspective that time and age allows Notley ably captures the immediacy of youth s passion while offering her own dry eyed interpretations of the events of a life lived close to the bone Like the colorful collages she assembles from paper and other found materials Notley erects structures of image and feeling to house the memories that swirl around her in the present In their feverish intelligent renderings of moments both precise and ephemeral Notley s poems manage to mirror and transcend the times they evoke Her profound tributes to the stages of her life and to the identities she has assumed child youth lover poet wife mother friend and widow are remarkable for their insight and wisdom and for the courage of their unblinking gaze

Lake of Fire David White, 2004-04-06 In Lake of Fire our main character travels through the world escaping mental institutions and jobs to keep one step ahead of his father whose name is Dr Crabb who is pursuing him to take over the family business What is the family business Nothing short of eventual world domination Our main character finds that the farther he runs from his father the more he becomes him discovering that he has been inside of him all along In a final climactic scene father and son reunited descend into the firey depths of the Lake of Fire In the second part of our book A Fire in the Heart we experience episodes of miracle and of nightmare as the world is examined on an autopsy table of the author s dreams and fears In the third book Jupiter s Hills I weep for the beauty of the world Ostensibly a story about Jupiter s Hills history is examined The hills are from Jupiter belong to the God Jupiter or are just red hills here on Earth that suggest a strata of reality and detail that is other worldly
