Now she's bringing all who were in attendance that weekend back to Golden Silk Addison's luxurious secluded island estate and inviting two extra guests Annie and Max Darling to help uncover a killer. Annie Darling wouldn't miss this party for the world. And there certainly is no lack of suspects among the guests each of whom had a substantial motive for doing in the insufferable tycoon. But the party turns deadly when a houseman mysteriously vanishes along with the boats which are the only escape off Addison's island leaving the Darlings stranded on a floating rock in the middle of nowhere too close to a solution for comfort and stalked by a crafty murderer.
