## **A Long Way From Where I Been:**

**A Long Way to Home** David L. Allen, 2018-03-14 In the early 1960s an eleven year old boy from an isolated bush village in the Congo forest climbs on a passenger train at a small station near Angola to sell fruit but he fails to get off in time Believing the train will reverse direction he is carried across central Africa to Elisabethville Armed soldiers force him off the train and he enters a city where he knows no one or how to survive Alone and knowing nothing about life in a rapidly growing modern African city the boy's pleas for help go unanswered He is lost and alone until a street boy teaches him how to steal and beg His attempts to slip aboard a train to return home remain blocked by armed soldiers He learns to live by his wits and becomes adept at stealing purses wallets and unguarded parcels He witnesses the death of a friend is caught in the middle of a military battle for the city and lives in fear of being killed by a local thief Suspicious and distrustful of white people he is reluctant to accept assistance from a foreigner who offers to send him to school He becomes ill and almost dies until found by the one willing to help He becomes part of this man's family and visits the site of his old home in the bush He never loses his desire to locate his village family but he discovers that home isn't a place but people who care for him

**A Long Way Back** ARIADNA, 2011-08-23 Donatello was born and grew up in a little island of the Mediterranean sea Life's circumstances forced him to move far away from that place Along with Asiri he would discover love and new worlds But life's path is uncertain Between adventure love and passion Donatello will find a way to follow his feelings in order to achieve happiness It is a perfect adventure to enjoy while sitting down and having a hot coffee as you let yourself be flooded by the passion and feelings of the characters

**A Long Way Home** Terence Dillon, 2013-12 A Long Way Home is a dramatic and tension filled fictional story that explores the relationship between the English and the Irish in the late nineteenth century It provides a fascinating insight into the issues created when those looking for conciliation come into conflict with those relying on confrontation in the struggle for Irish independence The book traces the experiences of Paul Doherty an Irishman immigrant In a story that raises important issues of race class religion sex violence and secret societies Doherty struggles to look for conciliation rather than confrontation bringing him into conflict with his great friend and fellow Irishman Will who is a member of the Irish Republican Brotherhood The theme of confrontation and conciliation continues through the relationships Doherty has with the English arch racist Maurice Whitehouse and the English philanthropist William Harding The book also draws upon comparisons between life in rural Ireland and the dark streets of an English industrial town of the late nineteenth century as it builds to a powerful conclusion of romance and violence

**You've Come A Long Way, Baby** Lilly J. Goren, 2009-05-22 The landmark 2008 presidential and vice presidential campaigns of Hillary Clinton and Sarah Palin brought the role of women in American leadership into sharper focus than ever before These women and others such as Nancy Pelosi and Katie Couric who are successful in traditionally male dominated fields demonstrate how women's roles have changed in the last thirty years In the past the nightly news was anchored by male journalists presidential cabinets

were composed solely of male advisors and a female presidential candidate was an idea for the distant future but the efforts of dedicated reformers have changed the social landscape The empowerment of women is not limited to the political sphere but is also echoed by the portrayal of women in film television magazines and literature You ve Come a Long Way Baby Women Politics and Popular Culture investigates the role of popular culture in women s lives Framed by discussions of contemporary feminism the volume examines gender in relation to sexuality the workplace consumerism fashion politics and the beauty industry In analyzing societal depictions of women editor Lilly J Goren and an impressive list of contributors illustrate how media reflects and shapes the feminine sense of power identity and the daily challenges of the twenty first century Along with a discussion of women in politics various contributors examine a range of gender related issues from modern motherhood and its implications for female independence to the roles of women and feminism in pop music In addition Natalie Fuehrer Taylor outlines the evolution of women s magazines from Ladies Home Journal to Cosmopolitan The impact of television and literature on body image issues is also explored by Linda Beail who draws on trendy chick lit phenomena such as Gossip Girl and Sex and the City and Emily Askew who analyzes the effects of image transformation in programs such as The Swan and Extreme Makeover As comprehensive as it is accessible You ve Come a Long Way Baby is a practical guide to understanding modern gender roles In tracing the different ways in which femininity is constructed and viewed the book demonstrates how women have reclaimed traditionally domestic activities that include knitting gardening and cooking as well as feminine symbols such as Barbie dolls high heels and lipstick Though the demand for and pursuit of gender equality opened many doors the contributors reveal that fictional women s roles are often at odds with the daily experiences of most women By employing an open approach rather than adhering to a single narrow theory You ve Come a Long Way Baby appeals not only to scholars and students of gender studies but to anyone interested in confronting the struggles and celebrating the achievements of women in modern society
