Trial of the Great Lucifer Juanita Diane Friend,2025-12-17 The Trial of the Great Lucifer signifies the dramatic conclusion of Autumn s enchanting journey in Heaven Upon her return to the earthly realm she grapples with the bittersweet sting of life s disappointments and the weight of her losses In a moment of quiet reflection she recalls the book she penned years ago a tapestry of memories and emotions Was Kaela the vibrant being she described on her pages a character she met in her dreams or a figment of her imagination Just as the question settles in her mind Kaela materializes before her a radiant figure aglow with ethereal light His eyes shimmer with urgency and excitement as he inquires if Autumn is prepared to journey back to God s Kingdom where she must stand as a witness against their eldest brother Lucifer The air crackles with anticipation and the stakes have never been higher Autumn s first realization upon returning to Heaven is that she is young vibrant and ready for war The blood stained walls of her Father s house serve as a stark reminder of the brutal battle between Lucifer s warriors and God s saints a conflict during which she nearly lost her life on the stairs leading from the Holy Castle s main foyer to the first floor If it weren t for Lieutenant Archangel Kaela s expert swordsmanship she would have surely succumbed to the darkness of uncreation However the danger does not end there While Lucifer is confined within the sphere Autumn and Kaela confront evil on several levels As the trial date approaches Lucifer s warriors make efforts to silence Autumn With her life in danger Autumn has a singular goal as a saint she must protect God s citizens prioritizing their safety above her own This book presents the testimonies of Scribe Excelsa Prince Michael Lieutenant Archangel Kaela Archangel Autumn and the entity known as Pain The outcome of Lucifer s trial leads saints and warriors into a battle in an unknown valley called Armageddon Readers will be transported to

a turbulent time in Heaven's history which was ended by a divine miracle God's Holy Son Immanuel The Return of Autumn Vin Craig, 2011-08-25 Vincent works as a photojournalist full time For more than a dozen years this award winning photojournalist has photographed and interviewed some of the world's leading politicians entertainers and athletes Having an occupation where the scenery faces and often the climate changes every day provides the atmosphere that is helpful in sparking his creative juices Although Vincent is employed as a photojournalist writing remains his passion His talent for the craft was discovered by his Elementary School English teacher After reading an assignment written by Vincent she recommended him to the school newspaper to write a sports column Vincent has been writing ever since that time Whether it's a computer keyboard or an ink pen and a napkin from a fast food establishment Vincent takes advantage of every moment to write something new practically everyday He had a great appreciation for those who in this high tech age still find the time to read For without the eyes of a ready reader are the means of transportation of words from the pages and episodes to the hearts and minds of those who still enjoy a journalistic journey
