Autumn Mist:

The Dark Mist of Autumn Mark Barresi,2011-03-17 By Mark Barresi In the peaceful quiet town of Malapaso a small town in the Adirondack Mountains in upstate New York homicide detective Marc Collins begins to investigate the deaths of two well known college students At first it appears to be the crime of youths involved in satanic worship that got out of hand But as the investigation wears on Detective Collins learns there are more sinister evils at work that will push him beyond his own boundaries as a cop and test his own faith in God Along with Police Psychologist Dr Shannon Medford who will aid him in his investigation they will have to fight to keep Kathy Westcott the only witness to the murders alive as they face the most supreme evil of all Marc learns the deception of evil goes far beyond his understanding it brings him back to the reality of his wife's murder five years before In the end Marc risks his own life to save a young girl who holds the key to the future of the most ancient evil itself to exist

Once Upon a Time Gloria Glendale,2013-12-31 Here are a few stories that will stretch your imagination A story about a young mink trying to find his way Things get a little mixed up when he tries to solve his problems on his own A story about a little girl finding out that letting her light shine is a good thing But the love for her brother is most important A story about a quiet man whose good deeds let people know he has a big heart but situations change his life in ways he never dreamed were possible A story about a mother who learns that getting to know the past is important for her future and the future of her children A story about a girl who gets to know her family in ways she didn't know she could She learns that the stories her grandmother told her are more than just stories There is also a couple of tall tails just for fun

The Plot To Kill God Edward F. Mrkvicka, Jr.,Kelly H. Mrkvicka,2015-01-09 As we near the Second Coming the battle between good and evil intensifies Sadly the forces of evil are winning mainly because too many Christians and the churches they attend are going along to get along They'll stand for God as long as they can do so in silence If their faith costs them anything they want no part of it The Bible warns us that we must know the enemy but most of us are clueless It's so much easier to bury our heads in the sand and act like everything is okay even though we know it's not Our Lord and Savior died in this world so we can experience life everlasting Put another way God allowed His Son to be treated like we deserve to be treated so we could be treated like His Son Why Because He loves us In John 15:13 it is stated Greater love has no one than this than to lay down one's life for his friends And in return for Christ's sacrifice most of us remain mute We've quietly let Him be kicked out of our places of business our schools our government at all levels our courts and in some cases our churches and homes And then when we need Him we in unmitigated hypocrisy call for a National Day of Prayer for example immediately after 9/11 The spiritual war we're facing is almost at an end What we do or don't do will determine the outcome Jesus said it best in Matthew 12:30 He who is not with Me is against Me That's about as simple and direct as it can get The spiritual war we all face is raging and acting as if we're

a neutral nation in WWII is no longer an option The choice is ours We either stand with Christ or we become His enemy
