Autumn Secrets Of The Equinox:

Autumn Secrets of the Equinox Rachel Payne, 2004-08 Pack your overnight bag and come with Iggy Colvin as he heads off to Ottawa Academy with his best human friend Oliver Brandeis. The main reason for the trip is so Iggy the now seven inch preadolescent gnome can help the nine year old Oliver get settled into his new school. However Iggy is also preparing himself for another potentially dangerous situation during his short stay. Legend states that the elves inhabiting the basement of the Academy turn ill spirited toward incoming students on the Autumnal Equinox. Iggy plans to explore the many intricate clues surrounding this fifty year mystery before it's too late for Oliver and his friends. Iggy has a renewed sense of confidence in his ability since the infamous goblin capture over the summer. He just needs to remember to keep his eyes focused on anything that seems slightly out of the ordinary. Common objects and unsuspecting people will all offer clues if he remains open minded. Autumn Secrets of the Equinox will take you and Iggy on a trip where you will find yourself soaring through the constellations one minute and then swimming through flooded catacombs the next.
