**Avery's Vengeance** Terrell L. Bowers,1982      *Avery's Vengeance* Terrell L. Bowers,2016-11-21 Mac Avery had tamed the town of Dry Wells Wyoming some time back Yet though he still owned the bank there he was living a new life in the small town of Mona in a neighboring state Life had been good and peaceful in Dry Wells until a small Syndicate moved in with an eye on taking over the valley and also Avery s bank They were willing to kill Mac and his best friend who managed his bank to get what they wanted Not killing Mac was their first mistake When he returns to Dry Wells he intends to even the score no matter what the odds Suffering an early setback Dace Hollister arrives to stand at his side The two of them make a formidable army which is exactly what they will need to even the battle field      **Grace and Vengeance** James L. Avery,2012-09-25 Historical fiction genre is the platform available to offer the truth about a double homicide that was current in the news Offering the truth is the primary and most important intent of this novel James L Avery a seer offers by explaining all evidence issues and describing the truth of who how what why where and when that is a requirement by the power of God Neither of the polarized opinions about the homicides had any validity because the entire truth was not of knowledge Not one crime scene expert can offer the truth better than this seer can about the issues of the double homicides I am offering the truth because those experts failed God with their expertise gifted by him to do his will In this there is an obviously given difference between self made and godsent The truth is offered inside of a fiction novel so that it can be offered legally The author is required to offer the names given to him spiritually      *With a Spirit of Vengeance* Lena Gregory,2022-06-28 Psychic Cass Donovan must uncover the truth about long buried secrets and recent murders to bring peace to a troubled spirit and bring justice to a flesh and blood killer When the spirit of Ophelia Wilson turned to clairvoyant Cass Donovan for help Cass was able to prove Ophelia s innocence in the century old murders of her family members and solve a contemporary murder in the process But Ophelia s spirit has returned this time angrily demanding that Cass expose the identity of whoever did kill her family And then eerily two descendants from the Wilson family tree are murdered suggesting that Ophelia has the power to meddle in modern day events to satisfy her rage As Cass struggles to solve the two recent murders and unravel the sparse clues about murders from a hundred years ago she and those around her begin to suffer Ophelia s wrath including an attempt on the life of one of Cass s closest friends Relying on all of her own psychic powers Cass has to confront the spirit s hunger for vengeance and track down a merciless killer before she becomes the next victim of both Praise for the Bay Island Psychic Mystery series The future shows much success for this series Fun vibrant characters as well as a sexy smolder or two for good measure give the novel just the right tone RT Book Reviews on Death at First Sight I loved the protagonist Cass She and her friends were very well developed and felt like a group of people I d like to get to know The Book s the Thing This has quickly become one of my favorite series Cass is fantastic A well written cozy mystery with a touch of the paranormal making for a delightful story full of unexpected twists Books a Plenty Book Reviews
