Rebirthing into Androgyny Berenice Andrews, 2012-11-14 In these interesting times when many people are searching for spiritual nourishment this book is intended to be a means of providing it. *Rebirthing Into Androgyny: Your Quest For Wholeness And Afterward* offers to the hungry ones a familiar yet totally different feast. While it sets forth an already established metaphysics it also presents a radical new ideaone that has been implicit in that spiritual thought but unavailable until now and the new awareness associated with quantum physics. In other words while this book provides soul searchers also known as learners with an ages old means of generating a fundamental inner change a rebirthing it also provides a new living prototype of what is being reborn. Thus a person's rebirthing is both a gestation and a labor a quest producing an ever increasing knowing gnosis which gradually becomes being that can finally merge with the Beloved Self. And the new living prototype is that of the human soul not as what a person has but as what a person is a creative energy being who generates its own bodies out of its soul substance its creative consciousness energy by means of its archetypal human energy system while always being guided by its nucleus of divinity. In this book which is a textbook for soul searchers all of this transformative change is offered explored and explained in a series of carefully crafted lessons lovingly taught by a shamanic teacher healer in a stone circle classroom the ancient site of a modern teaching. There is a grand feast awaiting.
