Babar a New York Laurent de Brunhoff,1975 Babar à New York Laurent de Brunhoff,1966 Babar est invit un voyage diplomatique New York avant de retrouver sa famille sur la c te Est am ricaine Quel s jour prouvant Babar sillonne cette immense ville non sans d tonnantes surprises babelio com *Teaching Young Children Using Themes* Marjorie J. Kostelnik,2008-11 Find more than 1400 activity ideas organized according to 24 age appropriate themes that build social studies science math or language arts skills Themes include families clothing dental health space exploration rocks birds dinosaurs numbers and numerals measuring and storytelling Each thematic unit includes clearly written teacher directions including purpose procedures background information ways to simplify or extend the unit related literature lists for children and suggested reference books for the teacher Grades preK 1 Index of activities Illustrated Good Year Books 537 pages

Babar's USA Laurent de Brunhoff,2008-08 Celebrate Babar as he celebrates America An all new Babar book featuring photos of the USA collaged with original Babar illustrations for an exciting tour of modern America In a new picture book featuring the internationally beloved and bestselling Babar the lovable elephant and his family travel across the United States Using collage watercolor illustrations were pasted onto digital photographs to put the characters directly into real life scenes Laurent de Brunhoff takes Babar and his family around the country to see the sights from New York where they see such icons as the Brooklyn Bridge and FAO Schwarz to Memphis Tennessee where they see Graceland to Key West Florida where they enjoy the beach to Wyoming where they see Yellowstone National Park and to California where they see the La Brea Tar Pits the Golden Gate Bridge and more and to everywhere in between The innovative format and clever design are perfect complements to the reissue of Babar Comes to America Readers new and familiar will revisit this volume to see the sights and will be inspired to pack their trunks and head out across the country *Aesthetic Approaches to Children's Literature* Maria Nikolajeva,2005-05-12 As undergraduate and graduate courses in children s literature become more established and numerous there is an intense need for a textbook that offers aesthetic rather than educational approaches to children s literature This work fills that void by providing students of children s literature with a comprehensible and easy to use analytical tool kit showing through concrete demonstration how each tool might best be used The chapters are organized around familiar and easily recognized features of literary texts e g author genre character Theoretical issues are illustrated by specific texts from the North American children s literature canon The book explores the particular aesthetics of children s fiction and the ways critical theory may be applied to children s texts while remaining accessible to a college readership without prior specialized knowledge of literary theory Each chapter includes a short introduction to a specific theoretical approach e g semiotics feminist psychoanalytic an example of its application to a literary text a number of activities study questions reading exercises and suggestions for further explorations Inventing the Child Joseph L. Zornado,2002-09-11 Traces the historical roots of Western culture s stories of childhood in which the child is subjugated to the adult Going back

400 years it looks again at Hamlet fairy tales of the Brothers Grimm and Walt Disney cartoons Inventing the Child John Zornado,2013-10-18 Now in paperback Inventing the Child is a highly entertaining humorous and at times acerbic account of what it means to be a child and a parent in America at the dawn of the new millennium J Zornado explores the history and development of the concept of childhood starting with the works of Calvin Freud and Rousseau and culminating with the modern consumer childhood of Dr Spock and television The volume discusses major media depictions of childhood and examines the ways in which parents use different forms of media to swaddle educate and entertain their children Zornado argues that the stories we tell our children contain the ideologies of the dominant culture which more often than not promote happiness at all costs materialism as the way to happiness and above all obedience to the dominant order **The New York Times Biographical Service** ,1972-07 A compilation of current biographical information of general interest The Publishers Weekly ,1926 **Writers for Children** Jane Bingham,1988 A reference work on important writers from the seventeenth century to the first part of the twentieth century including 84 original critical essays on writers ranging from Charles Perrault to Laura Ingalls Wilder **Catalog of Copyright Entries.
