especially those whose nature concentrates on the online space require that you put in the work now so that later you may stop working full time That does not mean you will not work at all you will All worthwhile passive income streams require some form of maintenance With that said it s easy to understand why many people believe that a passive income means no work at all because well set up passive income streams can requires as little as a few hours of maintenance work per week or month to continue generating revenue Take the example of a well set up blog If you put in the time now into creating great search engine friendly evergreen content say about 100 200 pieces of genuinely good and valuable content which would take a year of more in a year or two you can stop actively working on the website or blog every day You can monetize the traffic coming to the website through various strategies such as affiliate marketing and advertising so that you can generate an income even as you post once or twice per week some blogs continue to earn a passive income each month even without any maintenance work As you can see from the above setting up an online passive income does not mean not working it simply means putting in the work upfront so that later you can work less and still generate an income This passive income definition is the one we shall use as we work through the steps in this guide This guide shall discuss in a systematic manner proven business models and ideas that when well implemented shall help you create multiple streams of online passive income Let s begin Here s Just A Small Preview Of What You ll Learn Niche or Authority Website or Blog How to Create a Website or Blog That Generates a Passive Income Choose Your Niche Buy a Domain Name and Hosting Plan Choose a Blogging Platform and Design Your Site Create Valuable Content Monetize Traffic and Following Affiliate Marketing Membership Sponsored Content Sell Own Products and Courses Display Advertising When you purchase the Passive Income today you ll save 3 of the regular price and get it for a limited time discount of only 9 99 This discount is only available for a limited time No question asked money back guarantee Go to the top of page and click the orange Add To Cart button on the right to order now Tags passive income passive income books passive income investing passive incomes passive income tutorial passive income ideas passive income planner passive income streams passive income playbook passive income palmer the passive income passive income blueprint passive income physician passive income rental passive income millionaire passive income online passive income dummies smart passive income passive income 2018 passive income ebook passive income audible make passive income passive income 30 passive income myth real estate passive income create passive income passive income music passive income 25 passive income 101 passive income guru passive income internet passive income md facebook passive income creating passive income passive income evergreen amazon passive income how to make passive income kindle passive income making passive income passive income real estate building passive income passive income rental property
