*A King Is Born* Hopeton K Bailey, 2011-10-20 Based on findings from a life time of research this book is about enlightenment A king Is Born will instill in you some basic principles which will help you to visualise yourself on a different level It will enable you to come to the realization that everything is within you from creation When God said let us make man you were there at that time This means that all things all knowledge is in us We cannot draw on this source of knowledge and power if we do not know that it is available to us This book will make it clear to us and give us the ways and means to draw on this power The unlimited potential is all in us that moment when you feel like everything is possible is in us and should be made manifest as a natural continuous state of being rather than just a feeling for a moment You will be reading this book over and over and everytime you read it you will feel yourself being elevated to a higher level of thinking **The English**
