Vivir una vida sana con dolor crónico Sandra LeFort, Lisa Webster, Virginia González, Kate Lorig, DrPH, Halsted Holman, David Sobel, MD, MPH, Diana Laurent, MPH, Marian Minor, 2016-07-11. This is a culturally sensitive Spanish translation of Living a Healthy Life with Chronic Pain. Chronic pain includes many types of conditions from a variety of causes. This book is designed to help those suffering from chronic pain learn to better manage pain so they can get on with living a satisfying fulfilling life. This resource stresses four concepts: each person with chronic pain is unique and there is no one treatment or approach that is right for everybody; there are many things people with chronic pain can do to feel better and become more active and involved in life with knowledge and experimentation; each individual is the best judge of which self management tools and techniques are best for him or her; and the responsibility for managing chronic pain on a daily basis rests with the individual and no one else. Acknowledging that overcoming chronic pain is a daily challenge, this workbook provides readers with the tools to overcome that test. A Moving Easy Program CD which offers a set of easy to follow exercises that can be performed at home is also included.
