goes back more than a hundred years There they meet a giant of a man an escaped convict on his own tragic quest What they learn from him will shatter every notion Johnny had about the fate of his sister it will lead them to another far place to a truth that will test both boys to the limit Traveling the wilderness between innocence and hard wisdom between hopelessness and faith The Last Child leaves all categories behind and establishes John Hart as a writer of unique power Now with an excerpt from John Hart s next book The Hush available in February 2018 Benedictus Dominus.
