## **Awake For Mourning:**

Awake for Mourning Bernard Kops, 1969     The Minor Prophets: Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah and Malachi , 1885     **Landers Film Reviews** , 1983     **Grief and the Hero** Emily P. Austin, 2021-03-01 Grief and the Hero examines Achilles experience of the futility of grief in the context of the Iliad s study of anger No action can undo his friend Patroklos death but the experience of death drives him to behave as though he can achieve something restorative Rather than assuming that grief gives rise to anger as most scholars have done Grief and the Hero pays close attention to the poem s representation of the origin of these emotions In the Iliad only Achilles grief for Patroklos is joined with the word *poth* longing no other grief in the poem is described with this term The Iliad depicts Achilles grief as the rupture of shared life an insight that generates a new way of reading the epic Achilles anguish drives him to extremes oscillating between self isolation and seeking communal expressions of grief between weeping abundantly and relentlessly pursuing battle between varied threats of mutilation deeds of vengeance and other vows Yet his yearning for life shared with Patroklos is the common denominator Here lies the profound insight of the Iliad All of Achilles grief driven deeds arise from his longing for life with Patroklos and thus all of these deeds are in a deep sense futile He yearns for something unattainable undoing the reality of death Grief and the Hero will appeal not only to scholars and students of Homer but to all humanists Loss longing and even revenge touch many human lives and the insights of the Iliad have broad resonance     *The Spell of Hypnos* Silvia Montiglio, 2015-11-19 Sleep was viewed as a boon by the ancient Greeks sweet soft honeyed balmy care loosening as the Iliad has it But neither was sleep straightforward nor safe It could be interrupted often by a dream It could be the site of dramatic intervention by a god or goddess It might mark the transition in a narrative relationship as when Penelope for the first time in weeks slumbers happily through Odysseus vengeful slaughter of her suitors Silvia Montiglio s imaginative and comprehensive study of the topic illuminates the various ways in which writers in antiquity used sleep to deal with major aspects of plot and character development The author shows that sleeplessness too carries great weight in classical literature Doom hangs by a thread as Agamemnon in Iphigenia in Aulis paces restless and sleepless while around him everyone else dozes on Exploring recurring tropes of somnolence and wakefulness in the Iliad the Odyssey Athenian drama the Argonautica and ancient novels by Xenophon Chariton Heliodorus and Achilles Tatius this is a unique contribution to better understandings of ancient Greek writing     **Strangled Cry** Tapfuma Gwata, 2017-03-22 Chenai was frustrated by her husband Jamess unselective infidelity One day she came home from work unexpected only to find her husband in her bed with her maid A fight ensued which necessitated her companions to call for help As various people tried to counsel the estranged couple unpalatable truths were revealed while James implored for help and promised to turn over a new leaf Tambudzai Jamess mother however had different ideas She had chosen a suitable wife for him who had gone into his household under disguise as maid whose dismissal sewed prickly barbs of unpalatable discontent estrangement and

unimaginable horrors in the family A spiritual warfare ensued in which Tambudzai relentlessly used black magic against Chenai whose sole ammunition are her prayers and spiritual faith Who eventually won this tug of war Several unexpected discoveries thwart Chenais resolutions Surely what goes round comes around *The Ramayana Vālmiki*, Ramesh Menon, 2004-05-26 One of the ancient world s great verse epics is retold in energetic English prose in this sparkling volume
