Bible Bulletin Boards Shining Star,2000-08 The nuclear family is under siege as never before With the dramatic increase in divorce illegitimacy and single parenthood we are witnessing the voluntary breakup of the minimal family unit on a massive scale Meanwhile many people question whether marriage should be defined as a relationship between a man and a woman and some are trying to sever the idea of marriage and procreation completely Bestselling author William Bennett believes that we are engaging in a reckless and radical social experiment that unless it is firmly resisted will have calamitous consequences In this strong and vigorous but sophisticated and informed defense of the traditional nuclear family Bennett argues that we urgently need to reestablish the idea of marriage as an arrangement between a man and a woman monogamous and freely chosen a place of sexual and emotional intimacy affection and friendship Marriage should be the institution through which children are conceived and born loved and disciplined nurtured and raised And marital permanence must once again become normative a high ideal something to which people commit and strive to maintain Bennett argues that we are willfully and frivolously casting aside one of our greatest historical achievements under the illusion that we can cheerfully deconstruct the traditional family and then one day decide to pull back from the brink Having blithely tossed these precious things aside we will find that we cannot so easily summon them back Yet Bennett s book is not a jeremiad or a gloom and doom scenario but a positive affirmation of family life and an argument for why a certain traditional understanding of the family leads to greater human flourishing and happiness
Away with the Manger Chris Fabry,1996 It began with a letter Jackson Grim newspaper columnist was wading through

his usual pile of hate mail from gun owners religious wackos and fans of a political talk show when he found it The letter writer regretted the decision of the Hartville City Council to ban a manger scene on the front lawn of City Hall unless other Winter Holiday symbols Santa reindeer snowpersons were included in the display Though he was not a religious man himself Jackson decided to print the letter in his column a decision he quickly came to regret This story of Christmas in the culture wars reveals a town thrown into mayhem by rhetoric on all sides when everyone from the town s leading atheist Diedra Freeop to Pastor Marty is drawn into the debate You will be amused and surprised by the events that follow and you may even find your heart strangely warmed **Official Gazette of the United States Patent Office** USA Patent Office,1917
