Aztec and Maya World Charles Phillips, David Michael Jones, 2005 The secrets of the past are uncovered in this social history of the ancient peoples of Central America and Mexico The first part of the text explores the landscape of the ancient Mesoamerican world while the second part reveals the rich and varied architecture and art of the different cultures *Step Into The-- Aztec & Maya Worlds* Fiona Macdonald, Clara Bezanilla, 2004 Explains the culture and beliefs of the Maya and Aztecs plus 15 step by step projects fact boxes over 200 colour photographs illustrations with cross sections historical maps and a pictorial timeline Step Into the Aztec and Maya Worlds Fiona MacDonald, 2007 Explores the culture and beliefs of the Aztec and Maya peoples with fifteen projects that allow readers to recreate some Aztec and Maya artifacts **The Aztec & Maya Worlds** Fiona Macdonald, 2000 **The Aztec and Mayan Worlds** Fiona Macdonald, 2009-01-15 Presents a general history of the cultural and social aspects of the ancient Maya and Aztec empires up to the arrival of Spanish conquerors in a book that also provides readers with instructions for creating such related craft projects as a feather fan a mosaic mask a codex and a miniature pyramid temple **Aztec & Maya Worlds** Fiona Macdonald, 2007 Explores the culture and beliefs of the Aztec and Maya peoples with fifteen projects that allow readers to recreate some Aztec and Maya artifacts The World's Work , 1926 **Mesoamerica's Greatest Civilizations** Charles River Editors, 2025-05-05 Many ancient civilizations have influenced and inspired people in the 21st century The Greeks and Romans continue to fascinate the West today But of all the world s civilizations none have intrigued people more than the Mayans whose culture astronomy language and mysterious disappearance all continue to captivate people In 2012 especially there has been a renewed focus on the Mayans whose advanced calendar has led many to speculate the world will end on the same date the Mayan calendar ends The focus on the doomsday scenario however has overshadowed the Mayans true contribution to astronomy language sports and art Mesoamerica s Greatest Civilizations discusses the Mayan calendar within the larger context of their astronomical advances while also providing a comprehensive analysis of their history empire and culture Along with a description of Mayan life and pictures of Mayan ruins and art the mystique of the Maya is traced from the height of their empire to the present day in an attempt to understand a civilization often been best described as an enigma From the moment Spanish conquistador Hernan Cortes first found and confronted them the Aztecs have fascinated the world and they continue to hold a unique place both culturally and in pop culture Nearly 500 years after the Spanish conquered their mighty empire the Aztecs are often remembered today for their major capital Tenochtitlan as well as being fierce conquerors of the Valley of Mexico who often engaged in human sacrifice rituals Ironically and unlike the Mayans the Aztecs are not widely viewed or remembered with nuance in part because their own leader burned extant Aztec writings and rewrote a mythologized history explaining his empire s dominance less than a century before the Spanish arrived Naturally Cortes and other Spaniards depicted the Aztecs as savages greatly in need of conversion to Catholicism While the Mayans are remembered for their astronomy numeral

system and calendar the Aztecs have primarily been remembered in a far narrower way despite continuing to be a source of pride to Mexicans through the centuries As a result even though the Aztecs continue to interest people across the world centuries after their demise it has fallen on archaeologists and historians to try to determine the actual history culture and lives of the Aztecs from the beginning to the end relying on excavations primary accounts and more The World Today,1926 **Aztec and Maya Worlds** Fiona MacDonald,1998 The Standard History of the World John Herbert Clifford,1907 **The Standard History of the World, by Great Historians**,1914 World-wide Evangelization the Urgent Business of the Church Student Volunteer Movement for Foreign Missions.
