## **Baba Qamma:**

*Baba Qamma*, 1984      **The Codification of Jewish Law on the Cusp of Modernity** Edward Fram, 2022-04-28 For more than four centuries Jewish life has been based on a code of law written by Joseph Caro his *Shul an aruk set table* The work was an immediate best seller because it presented the law in a clear and concise format Caro s work however was methodologically problematic and was widely criticized in the first generations after its publication In this volume Edward Fram examines Caro s methods as well as those of two of his contemporaries Moses Isserles and Solomon Luria He highlights criticisms of Caro s legal thought and brings alternative methodologies to the fore He also compares these three jurists while placing their methods and cases in their historical intellectual and religious contexts Fram s volume ultimately explains why Caro s methodologically problematic work won the day while more sophisticated approaches remained points of legal reference but fell short of achieving the acceptance that their authors hoped for      *The Talmud* Barry Scott

Wimpfheimer, 2020-09 *The Babylonian Talmud* a postbiblical Jewish text that is part scripture and part commentary is an unlikely bestseller Written in a hybrid of Hebrew and Aramaic it is often ambiguous to the point of incomprehension and its subject matter reflects a narrow scholasticism that should hardly have broad appeal Yet the Talmud has remained in print for centuries and is more popular today than ever Barry Scott Wimpfheimer tells the remarkable story of this ancient Jewish book and explains why it has endured for almost two millennia 0Providing a concise biography of this quintessential work of rabbinic Judaism Wimpfheimer takes readers from the Talmud s prehistory in biblical and second temple Judaism to its present day use as a source of religious ideology a model of different modes of rationality and a totem of cultural identity He describes the book s origins and structure its centrality to Jewish law its mixed reception history and its golden renaissance in modernity He explains why reading the Talmud can feel like being swept up in a river or lost in a maze and why the Talmud has come to be venerated but also excoriated and maligned in the centuries since it first appeared 0An incomparable introduction to a work of literature that has lived a full and varied life this accessible book shows why the Talmud is at once a received source of traditional teachings a touchstone of cultural authority and a powerful symbol of Jewishness for both supporters and critics      *The Talmud of the Land of Israel, Volume 28* Jacob Neusner, 1984 Edited by the acclaimed scholar

Jacob Neusner this thirty five volume English translation of the Talmud Yerushalmi has been hailed by the Jewish Spectator as a project of immense benefit to students of rabbinic Judaism      *Scripture and the Generative Premises of the Halakhah: Scripture's topics independently developed in the Halakhah: from the Babas through Miqvaot* Jacob Neusner, 1999

**Comparative Hermeneutics of Rabbinic Judaism, The, Volume Three** Jacob Neusner,2000 Hermeneutics conventionally defined as theory of interpretation in Rabbinic Judaism finds its data in the modes of analytical thought that produce useful knowledge out of the facts deriving from three sources These sources are 1 the Torah Scripture and tradition 2 nature and 3 the social order constituted by holy Israel the latter two as contemplated and classified to begin with by the Torah These data require structure proportion order balance and rationalization What theory of interpretation identifies among those data points of likeness and contrast that define category formations of cogency and proportion That is the question I systematically answer following the sequence of the Halakhic category formations of the Mishnah Tosefta Yerushalmi Bavli Hermeneutics then articulates the results of a distinctive mode of thought and in the Halakhah it is the analogical contrastive kind That is to say analytical thought defining the category formations that are subject to hermeneutical reflection proceeds in accord with the rules of analogical contrastive thinking
