Lucifer, Adam, and the Spirit of Babylon Joe Giuffrida,2011-03 ABOUT THE BOOK In an age when terrorism is a continual threat to the peace and safety of the world it has become critical to understand the motives and objectives that drive the terrorist to devise his plots and plans of destruction If we do not understand his plan we won t know how to use the weapons we have or to enter into successful combat to defeat him In Lucifer Adam and the Spirit of Babylon the author unmaskes the nature of the diabolical relationship between Satan and his coconspirator the fallen Adamic race and reveals how together they will bring the population of the earth to its ultimate distance from God and seek to capture as many souls as possible before the end He shows how Lucifer the diabolical engine of evil has been using the genetic makeup of Adam s humanity to develop a civilization that will express ultimate independence from God and destroy the largest number of souls through deception at the highest level Once your eyes are opened to this conspiracy you will begin to see how the Church has been taking the bait of Babylon for the past century and how this will lead to receiving the mark of the beast The end of the age is surely upon us and the spirit of the age is vying for your soul The mark of the beast begins in the mind before it will make its way to the physical body It is a way of thinking The only antidote to the Mark of the Beast is the Mark of Christ or the image of Christ being formed in you and complete dependence upon the Holy Spirit ABOUT THE AUTHOR For the past thirty years Joe Giuffrida has served in nearly every capacity in the local church from teacher deacon and worship team member to associate pastor and Dean of a Bible school His passion is to see the Body of Christ break free from the shackles that have kept it in subjection to the spirit of the world and to arise to the high calling of God in the earth He has a B S in English an M S in education and is currently working on an M S in theology He has taught in public private and rehabilitation classrooms He and his wife Jackie currently reside in York Pennsylvania

framework Challenging approaches that reduce Revelation to eschatological prediction or literary spectacle this monograph demonstrates that John s Apocalypse employs sapiential traditions in a deliberate and systematic manner to exhort its audience toward unwavering fidelity to Christ Examining three major wisdom motifs the occurrences of the deployment of the two women topos and the strategic use of macarisms and vice lists the study argues that Revelation integrates wisdom discourse to shape the readers discernment of true and false realities John positions wisdom as the capacity to perceive the Lamb s sovereign redefinition of power value and victory and to unmask the deceptive allure of the beast and Babylon By situating these motifs within their immediate literary contexts and within the structure of the Apocalypse as a whole the study illuminates Revelation s paraenetic purpose to cultivate a community capable of ethical perseverance amid competing claims of allegiance

The Babylonian Deception Pastor Joseph Strickland, 2024-11-11 God said In the day that ye eat thereof thou shalt surely die God was talking to the man he had created and named Adam Adam lived 930 years after God told him that he would die and then he died However God said In the day that ye eat Anyone reading this will have to say that Adam was alive after he ate the fruit That understanding brings humanity into direct contrast with their God This book intends to bring an understanding of the death that God spoke about and how humanity understands that same death When we understand that the entirety of humanity is dead in trespasses and sins we will search for life in our own lives instead of in other worlds God sent life into this world because the world is dead but we don t understand the death that God declared Adam to be Because we don t understand that death we reject the life that God sent to us The author of this book attempts to explain an equation if you don t know the death that Adam and Eve died you will never know that you have a need for life and that is what God wants you to have In the Bible God is trying to show us that death is real but eternal life is also real and He asks us to choose this day between the two Jesus said I am the way the truth and the life The Bible also says that in Him was life and that life was the light of man
