Deep Blue Sea Rethinking The Source Of Leadership:

The Deep Blue Sea Wilfred Drath, 2001-04-11 The forces of globalization and collaboration have presented a challenge to the traditional notions of leadership How does leadership happen when there are many leaders trying to reach a goal and no clear followers And what does leadership look like when no one person is in charge In *The Deep Blue Sea* Wilfred Drath responds to these challenges by presenting a new leadership framework called relational leadership His revolutionary approach recasts the idea of leadership as a group function that results in self organized entities Using the story of a fictional piano company Drath helps us understand why this new notion of leadership is needed to face the challenges of the 21st century A Center For Creative Leadership Book

The Deep Blue Sea Wilfred H. Drath, 2001 *Theory and Practice of Leadership* Roger Gill, 2011-12-15 Praise for the first edition At last a well written balanced and insightful British book on leadership It is probable that every theory and assertion of consequence is commented upon A real tour de force Emeritus Professor Gerry Randell University of Bradford School of Management Theory and Practice of Leadership is an all encompassing global review of examples and case studies that is both comprehensive and easily adaptable to almost any situation one would encounter in leading people Richard J Conwell Nova Southeastern University Journal of Applied Management and Entrepreneurship If you are looking for a more holistic and critical take on the field of leadership look no further The second edition of this engaging and highly respected text offers an exploration of leadership in a variety of contexts both profit orientated and non profit New to this edition Refined to capture and delineate the essential theories more clearly with broader coverage taking in the latest developments in areas such as change politics assessment and development of leadership and multiple intelligences Further development of a new integrative model of core leadership themes and practices Abundant examples and illustrations together with detailed explanations of how they apply in practice A companion website with an Instructor s Manual PowerPoint slides links to additional case studies and full text journal articles Theory and Practice of Leadership will prove a highly stimulating read for undergraduate and postgraduate students of leadership and related subjects as well as management consultants and practising managers

Leadership and Place Chris Collinge, John Gibney, Chris Mabey, 2013-10-18 Despite the radical transformation of society associated with globalisation shifting patterns of demography and the revolution in information and communication technologies over the last two decades we remain profoundly attached to place in economic social cultural and emotional terms The idea of sustainable place shaping has made its way to the heart of the debate on the form and delivery of integrated economic development planning housing regeneration education transport and health policy for our neighbourhoods towns cities and regions The delivery of policy for place shaping has become a far more complex cross boundary and relational leadership task and there is now a requirement for a refreshed approach to leadership development for collaborative learning and associational working Going forward what is needed is a more insightful and comprehensive conceptual framework related to the leadership of place that takes account of the paradigm shift occurring in economic development planning and regeneration studies Against this background this timely book takes stock of the leadership literature and connects with the experience and views of those working in economic development planning and regeneration In this book we seek to enhance the discussion of these new leadership challenges This collection first appeared as a special issue of Policy Studies and is now published by kind permission in the Regional Studies Association book series Regions and Cities

The Deep Blue Sea Drath, 2001-08-01 [Fostering Employee Buy-in Through Effective Leadership Communication](#) Tim P. McMahon, 2021-07-29 Based on a case study of leadership communication in a time of organizational change this book gives new leaders insights into the tools and skills needed to become effective motivating communicators in their leadership careers Taking a holistic approach to communication and leadership the book argues that employees buy in to change when they collectively feel engaged in meaningful work that will enrich the lives of customers employees and investors Based on ethnographic research it approaches the topic through an absorbing fiction like retelling of an organization's successful navigation of change against the backdrop of the 2007 mortgage crisis In doing so it establishes a framework for leaders to understand the principles behind how and why buy in is generated in organizations This unique approach allows readers to visualize leadership communication principles in practice Fostering Employee Buy in is ideal as a supplementary text in introductory leadership communication management and business courses or as a text for new leaders interested in inspiring organizational change
